MINERAL DEPOSITS

1. **W.L. Dickson** An examination of some current, former and potential dimension-stone quarries in Newfoundland. 1
2. **B. Dyke, A. Kerr and P.J. Sylvester** Magmatic sulphide mineralization at the Fraser Lake Prospect (NTS map area 13L/5), Michikamau Intrusion, Labrador. 7
3. **A. Kerr** An overview of sedimentary-rock-hosted gold mineralization in western White Bay (NTS map area 12H/15). 23
4. **M. Skanes, A. Kerr and P.J. Sylvester** The VBE-2 gold prospect, northern Labrador: Geology, petrology and mineral geochemistry. 43
5. **G.C. Squires and P.J. Moore** Volcanogenic massive sulphide environments of the Tally Pond volcanics and adjacent area: Geological, lithochemical and geochronological results. 63

TERRAIN SCIENCES

6. **M.J. Batterson and D.M. Taylor** Regional till geochemistry and surficial geology of the central Avalon and Bay de Verde peninsulas 93
7. **S.J. McCuaig and M.J. Ricketts** Ground-penetrating radar: A tool for delineating aggregate-resource deposits 107
8. **M.J. Ricketts** Granular-aggregate mapping in southeast Labrador. 117

REGIONAL GEOLOGY

9. **A. Kerr and I. Knight** Preliminary report on the stratigraphy and structure of Cambrian and Ordovician rocks in the Coney Arm area, western White Bay (NTS map area 12H/15) 127
10. **F.J. Korhonen and J.H. Stout** Structure and petrology at the leading edge of the Wilson Lake terrane, central Labrador. 157
11. **I. Knight** A geological note on a probable footwall imbricate stack (possible duplex) to the Grand Lake Thrust, Harrys River map sheet (NTS 12B/09), western Newfoundland. 171
12. **B.H. O'Brien** A structural window into Roberts Arm Group (?) basalt at Burnt Pond (NTS 12H/1)—A metamorphic-inversion hypothesis. 187
13. **S.J. O'Brien and A.F. King** Ediacaran fossils from the Bonavista Peninsula (Avalon Zone), Newfoundland: Preliminary descriptions and implications for regional correlation. 203
14. **S.J. O'Brien and A.F. King** Late Neoproterozoic to earliest Paleozoic stratigraphy of the Avalon Zone in the Bonavista Peninsula, Newfoundland: An update 213
15. **D.M. Rohr, E.A. Measures and W.D. Boyce** Middle Ordovician (Whiterockian) gastropods from the Table Point Formation, western Newfoundland 225

16. **B. Ryan and D. James** The Mesoproterozoic Nain Plutonic Suite and its country rocks in the Kingurutik Lake–Fraser River area, Labrador (NTS 14D/9 and 16). 235

GENERAL TOPICS

17. **A. Harris and S. Cochrane** Core-storage program, 2003. 259
18. **C. Patey and C. Saunders** Documents and databases at the Publications and Information Section. 263
19. **G.J. Stapleton and J.L. Smith** Mineral Occurrence Data System. 265
