MUNICIPAL PLAN AMENDMENT No. 2, 2018
Amendment No. 2 to the Gambo Municipal Plan includes the following changes.

1. **Section 5.0 – Land Use Designations**

ADD the following sub-section to Section 5.0.

"5.13 Tourism Recreation"

1. **General Intent**
   The intent of the Tourism Recreation designation is to take advantage of Gambo’s growing popularity as a destination for outdoor tourism. Locations in this designation are regarded as attractive sites for campground and tourist cottage development combined with outdoor recreation activities such as hiking, canoeing, and kayaking.

2. **Land Uses**
   (1) Within this designation, permitted uses will include conservation and open space. Recreational open space, campgrounds and tourist cottage establishments will be permitted subject to conditions set by Council.

   (2) Uses that may be permitted at Council’s discretion include general assembly, outdoor assembly, and commercial outdoor recreation.

   Catering, shops, and take-out food services may be permitted at Council’s discretion if deemed by Council to be integral and complementary to a main use.

   A subsidiary apartment may be permitted in a main use if it is deemed necessary for the operation and/or security of that use.

   Other uses that may be permitted include energy generation facilities and transportation uses.

3. **Development Criteria**
   Council shall ensure that facilities are designed and maintained to a high standard with regard to safety, appearance, and compatibility with surrounding land uses.

4. **Protecting Environmentally Sensitive and Scenic Areas**
   Council may restrict or set conditions on development in locations that are identified as environmentally or aesthetically sensitive. In such areas protection and conservation will take priority over development.

2. **Future Land Use Map 3 – Redesignate from “Public Use” to “Tourism Recreation”**

AMEND Gambo Future Land Use Map 3 as shown on the following page.

The amendment redesignates approximately 4.5 hectares of land on the north side of Mint Brook (the former Mint Brook Church Camp site) from “Public Use” to “Tourism Recreation.”
