### **DEVELOPMENT REGULATIONS AMENDMENT DR17-01**

#### **BACKGROUND:**

Development Regulations Amendment DR17-01 is a “stand alone” text amendment and is required in order to include the “veterinary” classification of use as a discretionary use of the Community Service Use Zone Table in the Development Regulations.

This use is considered as providing a non-commercial community service use for the medical treatment of animals in the community. Council may then consider applications for this use at appropriate locations throughout the city as a discretionary use of the Community Service zone.

#### **PUBLIC CONSULTATION:**

During the preparation of this amendment, Council advertised the proposed amendment in the Western Star newspaper on Wednesday, January 25, Saturday, January 28 and Saturday, February 4, 2017, which advised of Council’s intention to seek the said amendment to its Development Regulations. In addition to this, the proposed amendment was posted on the City’s website and was available for viewing at City Hall.

There were no written responses from the general public in relation to the public consultation process. There was one telephone inquiry about the proposed amendment.

#### **AMENDMENT:**
