1. Type

Municipal Plan Amendment No. MP19-03 to the City of Corner Brook’s Integrated Municipal Sustainability Plan 2012 (henceforth the “Amendment”) is a map amendment.

2. Purpose

The principal purpose of proposed Municipal Plan Amendment MP19-03 is to allow Council to consider approval of a single dwelling on the subject property, 701 O’Connell Drive, which is currently, split designated ‘Comprehensive Residential Development Area (CRDA)’ and ‘Residential (RES)’ (also see associated Development Regulations Amendment DR19-03).

A single dwelling is a prohibited use in the CRDA future land use. The proposed Amendments would re-designate and re-zone the CRDA portion of the subject property to RES and RMD to allow the proposed development. The area has recently been serviced with municipal water. The property also has access to municipal sanitary sewer service. There is an existing, provincially-approved and constructed access onto O’Connell Drive. The proposed use of a single dwelling is a permitted use in the RMD zone.

The CRDA portion of the lot is proposed to be re-designated to RES. The proposal is supported by IMSP Policy 9.4.1, (Staging of Development – Residential) which addresses small CRDA designations and zones in proximity to existing streets and services. This amendment includes some adjacent split designated city owned lands as well as a small undevelopable parcel currently within the CRDA designation, as these

parcels are all contiguous and benefit from the designation change to RES and the zone change to RMD. This change also impacts the integrity of the CRDA designated and zoned lands in this area creating 2 smaller CRDA zones/designations. Additional changes to this CRDA area will be forthcoming as we see potential development occurring in this area which will require future amendments.

3. Public Consultation

In accordance with section 14 of the Act, City staff conducted public consultation by advertising Amendments on the City's website September 18, 2019. Notice was also published in the Western Star newspaper on September 25, 2019. City staff provided the public with chance to inspect and provide comments on the Amendment. No concerns or objections were raised during the public consultation stage of the proposed amendment.

4. Provincial Release

In accordance with Section 15 of the Act, City Staff forwarded the Amendment to the Provincial Department of Municipal Affairs and Environment for review. Where no agency or departmental interests were identified, the Amendment was released from the Local Governance and Land Use Planning Division on October 23, 2019.

5. Adoption by Council and Public Hearing

In accordance with Section 16 of the Act, Council adopted the Amendment on January 13, 2020. In accordance with Section 17 of the Act, notice of adoption and tentative public hearing date (March 30, 2020) was published in a locally circulated newspaper (Western Star) on March 11th and 18th, 2020.

Where no objections were received two (2) days before the tentative public hearing date, Council cancelled the public hearing in accordance with Section 20 and subsection 21(1) of the Act.
