MUNICIPAL PLAN AMENDMENT NO. 4, 2019

BACKGROUND

The Town of Isle aux Morts Municipal Plan 1989-1999 came into effect on March 20, 1990 and has been amended three times. The Municipal Plan has not been reviewed and revised – the Town intends to do this in 2020. The Town now wishes to amend the current Plan and Development Regulations and this report has been prepared to explain the proposed change.

The Town of Isles aux Morts received an application from the owner of Civic #26 Route 470 to rezone part of the subject property from the Industrial (I) Zone and the Commercial-Industrial (C-I) Zone to the Mixed Development (MD) Zone – the rezoning triggered a municipal plan amendment involving re-designating the bulk of the subject property from the Industrial (I) Designation and Commercial-Industrial (CI) Designation to the Mixed Development (MD) Designation. The purpose of the requested rezoning is to make the residential property in conformity with the Town of Isle aux Morts Development Regulations 1989 and the requirements of the MD Zone. This will enable the sale of the subject property to an interested buyer.

A Planning Report to the Town of Isle aux Morts Municipal Council dated November 29, 2018 was prepared. It discussed the rezoning application and the amendments to the Municipal Plan and Development Regulations it would involve. The Report noted that the proposed rezoning will not conflict with the goals and policies of the current, outdated municipal plan and would not compromise the ability of the community to accommodate future industrial development opportunities. The rezoning would also resolve a serious problem for the owner of civic #26 Route 470. The Report was discussed at the Regular Meeting of Council of January 14, 2019, at which time Council decided to adopt-in-principle the proposed amendments.

A Release from the Department of Municipal Affairs and Environment was issued on March 27, 2019. The Town of Isle aux Morts Municipal Council decided at the Regular Meeting of Council of April 8, 2019 to adopt the proposed Isle aux Morts Municipal Plan Amendment No. 4, 2019 and the proposed Isle aux Morts Development Regulations Amendment No. 5, 2019. At the Regular Meeting of Council of July 8, 2019 Council decided to appoint Ms. Susan Harvey as Commissioner for a Public Hearing scheduled for 7:00 P.M. on Thursday, August 22, 2019 at the Isle aux Morts Town Hall.

PUBLIC CONSULTATION

During the preparation of the amendment, Council undertook the following initiatives so that individuals and groups could provide input to the proposed Municipal Plan Amendment No. 4, 2019. The Town Council of Isle aux Morts published a notice in *The Gulf News* newspaper on December 31, 2018 advertising the rezoning proposal and seeking comments or representations from the public. The Town Council also placed a notice of the proposed amendment on display at the Town Office from December 31, 2018 to January 14, 2019 for residents to view and to provide any comments or concerns in writing to the Council concerning the proposed amendment; notices were also placed on the Town's website and at the Town's Municipal Water Building. No verbal or written comments were received during the time period.
