Section A: Application and Division of Powers

A.1 APPLICATION

A.1.1 COMMENCEMENT

The 'Town of Port au Port East Development Regulations (2022-32)' (henceforth the *Regulations*) come into effect throughout the Town of Port au Port East (henceforth the *Town*) *Municipal Planning Area* (henceforth the *MPA*) on the date of publication of a notice to that effect in the Newfoundland and Labrador Gazette (henceforth the *Gazette*).

A.1.2 RELATION TO PLAN

The *Regulations* are subsidiary to the 'Town of Port au Port East Municipal Plan (2022-32)' (henceforth the *Plan*). The *Regulations* contain the detailed *development* provisions required to give effect to the overall direction of the *Plan*. The relationship between the *Plan* and *Regulations* is illustrated in subsection 'A.1 Purpose and Contents' of the *Plan*.

A.1.3 MINISTER'S DEVELOPMENT REGULATIONS

Sections labelled with the official provincial logo () are required to be included in the *Regulations* in accordance with subsection 3(1) of the Minister's *Development Regulations*, NLR 3/01 (henceforth the *MDR*). These sections are integrated accordingly to be consistent with the *Regulations*. Explanations or directions in square brackets are for user convenience only and do not form a part of the legal version of the *MDR*.

Please see '[Appendix A: Minister's Development Regulations](#)' for the current version of the *MDR* as of the publication date of the *Plan* and *Regulations* in the *Gazette*. Where there is conflict between the *Regulations* and the legal version of the *MDR* (see www.assembly.nl.ca/legislation), the latter shall prevail.

A.1.4 UNITS OF MEASUREMENT

(a) All numerical requirements in these *Regulations* are provided in metric units of measurement:

Metric Unit	Abbreviation
Distance	
Millimetre	mm
Centimetre	cm
Metre	m
Kilometre	km
Area	
Square Metre	m ²
Hectare	ha

Table 1: Units of Measurement

(b) The mathematical symbols below represent the following:

Symbol	Meaning
–	Between or equal to
=	Equal to
≤	Equal to or less than
<	Less than
≥	Equal to or greater than
>	Greater than

Table 2: Mathematical Symbols

- (c) Imperial units of measurement, where provided, are for user convenience only. Where there is discrepancy between metric and imperial measurements, the former shall prevail.
- (d) All measurements shall be rounded to one (1) decimal place when applying the provisions of these *Regulations*.
- (e) When rounding in accordance with (d), place value equal to or greater than five (5) shall be rounded up to the nearest whole number. Metric place value less than five (5) shall be rounded down to the nearest whole number.
- (f) When measuring a required distance between a *lot line* and a *building or structure*, or between two (2) *buildings or structures*, the measurement is made at the least distance between the two (2).
- (g) All measurements and distances must be made along horizontal planes and not by following the topography or slope of the land.

A.1.5 MUNICIPAL CODES AND REGULATIONS

The *Building Code* including the *Plumbing Code*, the *Fire Code*, the *Electrical Code*, and any other ancillary code; and any Building Regulations, Waste Disposal Regulation and/or any other municipal regulations regulating or controlling the *development*, conservation and *use* of land in force in the *Town*, shall, under these *Regulations* apply to the entire *MPA*.

A.1.6 GENERAL PROHIBITIONS

- (a) No land, *building* or *structure* may be used or occupied, and no *building* or *structure* may be placed, constructed, erected, moved, sited, altered or enlarged; and no *subdivision* may be approved, except in conformity with these *Regulations*.
- (b) No *building* or *structure* may be placed, constructed, erected, moved, sited, altered or enlarged; and no *subdivision* may be approved, so as to cause any existing *building* or *structure* on the same *lot* to violate the provisions of these *Regulations*.
- (c) No *development*, including—but not limited to—a change in *use* or intensity of *use*, shall occur on a *lot*, except in conformity with these *Regulations*.

A.1.7 DEFINITIONS

Italicized words in these *Regulations* are defined in 'Appendix: B: Definitions'. Please refer to this section for more detailed provisions relating to definitions.

A.1.8 REFERENCES TO NATIONAL AND PROVINCIAL DOCUMENTS

Where these *Regulations* reference a national or provincial code, guideline, policy, regulation or act, the reference shall be as amended, repealed or replaced from time to time.

A.2 DIVISION OF POWERS

A.2.1 ADMINISTRATION AND POWERS OF THE DELEGATED EMPLOYEE

A.2.1.1 General Administration

- (a) *Council* may assign administrative functions to an employee of the *Town*, which are outlined under subsections A.2.1.2, A.2.1.8, and A.2.1.9.
- (b) In accordance with the *Act*, *Council* may designate a *Delegated Employee* to issue orders and render decisions on behalf of *Council* (approve or reject *applications*, to develop land in accordance with the *Plan* and *Regulations*, and may outline the conditions applicable to that *development*). Where authority is delegated, *application* types that may be dealt with by the *Delegated Employee* are outlined under subsections A.2.1.4, A.2.1.5, A.2.1.6, A.2.1.10, A.2.1.11, and A.2.1.12.

- (c) Where a *Delegated Employee* is not designated under (b), *Council* shall assume all powers thereunder.
- (d) An employee of the *Town* assigned administrative functions under (a) may also be a *Delegated Employee* under (b).

A.2.1.2 Intake and Review of Application or Request

Intake

- I. An employee of the *Town* shall:
 - (a) Be responsible for the intake of all *applications*, *approval in principle* requests, and *administrative requests*.
 - (b) Upon request, supply a copy of the appropriate *application* form to the *Applicant*, and any other available information or requirements applicable to the *application*. In accordance with subsection 35(1)(f) of the *Act*, this general request for information shall be open and transparent, and shall not require the completion of a form or submission of a fee, despite (f) below.
 - (c) Require that the appropriate number of copies of plans, specifications, and any other materials are submitted to ensure that the *Town* and *Applicant* each hold an exact record of the complete *application* submission.
 - (d) Under (c) and where available, require that any digital formats are also submitted.
 - (e) Where only digital submissions are made, charge the *Applicant* the cost of printing where paper copies are required for review and/or record-keeping.
 - (f) Assess the *application* or request for completeness by verifying that:
 - i. The appropriate form is completed;
 - ii. The appropriate fee is paid in accordance with '[Appendix E: Fees](#)';
 - iii. In accordance with subsection [A.2.1.3](#), any required additional information or study is provided; and
 - iv. The *land owner* or *authorized designate* signs any required documentation.
 - (g) Upon receipt of a complete *administrative request* in (f), provide the *Applicant* with the requested information.

II.

- (a) Upon receipt of a complete *application* or *approval in principle* request in I. (f), an employee of the *Town* shall forward said *application* or request to the *Delegated Employee*. (Note: As per subsection A.2.1.1 (d) and depending on appointment and delegation by *Council*, said employee of the *Town* may also be the *Delegated Employee*.)
- (b) Upon receipt under (a), the *Delegated Employee* shall review the proposal for conformance with the *Plan* and *Regulations*, and any other plan, scheme, or regulation pursuant thereto.
- (c) In accordance with subsection A.2.2, the *Delegated Employee* will forward the *application* to *Council* if s/he is unable to render a decision, which includes decisions on:
 - i. *Discretionary use applications* (subsection A.2.2.8);
 - ii. *Variance applications* (subsection A.2.2.9);
 - iii. *Non-conforming use application* (subsection A.2.2.10);
 - iv. *Plan amendment application* (subsection A.2.2.11 (a) to (h));
 - v. *Regulations amendment application* (subsection A.2.2.11 (i) to (n));
 - vi. *Development or subdivision development application* with proposed *private access* (subsection A.2.2.15); or
 - vii. *Subdivision development application* requiring the extension or creation of new *public streets* (subsection A.2.2.16).

A.2.1.3 Requirement for Additional Information or Study

- (a) Additional information or study may be required to evaluate the impact of the proposed *development* on the:
 - i. *Town's* infrastructure including, but not limited to, the required upgrading of *public streets* and *public utilities*;
 - ii. Compatibility with surrounding *land uses*;
 - iii. Established character of the immediate neighbourhood;
 - iv. Health, safety, and general well-being of residents of adjacent properties, the immediate neighbourhood, or the *Town* as a whole; and
 - v. Natural environment, which may include, but is not limited to, *steep slopes*, *watercourses*, water bodies, watersheds, *water supplies*, wetlands, and wildlife habitats.

(b) Additional information or study may include, but is not limited to:

- i. *Site plan* in accordance with subsection B.1;
- ii. Details on the availability of and the demand created for public services, which may be required in the form of a Site Servicing Plan prepared by a *professional engineer*;
- iii. Details on the *land use*, physical form, and character of adjacent *land uses*, which may be required in the form of a Land Use Compatibility Report prepared by a *professional planner*;
- iv. Details on *lot boundaries*, site topography, and existing *buildings, structures*, or features, which may be required in the form of a Real Property Report prepared by a *professional surveyor*;
- v. Details on existing site drainage patterns and provisions for storm-water management, which may be required in the form of a Drainage Plan prepared by a *professional engineer*;
- vi. Details on site contamination, which may be required in the form of an Environmental Site Assessment report prepared by a *professional engineer* or a Certified Engineering Technologist (CET);
- vii. Details on the soil and subsoil characteristics, which may be required in the form of a Geo-Technical report prepared by a *professional geologist or engineer*;
- viii. Details on the visual quality and the compatibility of the proposed *development* with the form and scale of *buildings* in the community;
- ix. Details on the nature and availability of on-site potable water, which may be required in the form of a Water Supply Assessment or Hydro-geological Report prepared by a *professional geologist or engineer*;
- x. Pre- and post-elevation drawing of land where the proposed *development* will significantly alter existing topography;
- xi. Elevation or perspective drawing of the proposed *development*;
- xii. Traffic impact study prepared by a *professional engineer*; or
- xiii. Plan prepared by a *professional planner*.

(c) Upon request, the *Applicant* shall be supplied with a description of the additional information or study required.

A.2.1.4 Issuance of Development Permit – Delegated Employee

General Prohibitions

- (a) No person shall carry out any *development* within the *MPA*, except where otherwise provided in these *Regulations*, unless a *development permit* has been issued by the *Delegated Employee*.
- (b) No *development permit* shall be issued for a *development* within the *MPA* when, in the opinion of the *Delegated Employee*, it is premature by reason of the site lacking adequate *street access*, power, drainage, sanitary facilities, or domestic water supply or being beyond the natural *development* of the area at the time of *application*, unless the *Applicant* contracts to pay the full cost of construction of the services deemed necessary by the *Delegated Employee* and such cost shall attach to and upon the property in respect of which it is imposed.
- (c) No *development permit* shall be issued for a *development* within the *MPA* unless the *development* conforms to:
 - i. The *Plan* and *Regulations*, and any other plan, scheme, or regulation pursuant thereto;
 - ii. The standards in the *Building Code* and ancillary *Codes*; and
 - iii. Any other governmental by-law, regulation, or statute in legal force and effect regulating or controlling *development* or the conservation and *use* of land and *buildings* in the *MPA*.

General Requirements

- (d) A plan or drawing that has been approved by the *Delegated Employee* and that bears a mark and/or signature indicating such approval together with a *development permit* shall be deemed to be permission to develop land in accordance with these *Regulations*; but such permission shall not relieve the *Applicant* from full responsibility for obtaining permits or approvals under any other regulation or statute prior to commencing the *development*, from having the work carried out in accordance with these *Regulations* or any other regulations or statutes, and from compliance with all conditions imposed thereunder.
- (e) No person shall erase, alter or modify any drawing or specifications upon which a *development permit* has been issued by the *Delegated Employee*.
- (f) The issuance of a *development permit* shall not prevent the *Delegated Employee* from requiring the correction of errors thereafter.
- (g) There shall be kept available on the premises where any work, matter or thing is being done for which a *development permit* has been issued, a copy of the *development permit* and any plans, drawings, or specifications on which the issue of the *development permit* was based during the whole progress of the work, or the doing of the matter or thing until completion.

Limitations of Development Permit

- (h) Where a *development permit* is issued, such *development permit* may include permission of any single *development*, more than one (1) *development*, or of any or all elements related to any *development*, provided that such are specified by the *development permit*.
- (i) No *development permit* shall pertain to more than one (1) uninterrupted, continuous *lot* under common ownership.
- (j) Despite (i), a *development permit* may be issued for two (2) adjacent *lots* wherein the first *lot* is under private, freehold ownership and the second *lot* is owned by the Crown, but is granted to the *owner* of the first *lot*.
- (k) Any two (2) adjacent *lots* under (j) shall be treated as one (1) uninterrupted *lot* for the purposes of measuring *yards*, *setbacks*, or any other *lot development* requirement under these *Regulations*.
- (l) The *Delegated Employee* may attach conditions to a *development permit* to ensure conformance with the *Plan* and *Regulations* (see subsection [A.2.1.6](#)).

Duration of Development Permit

- (m) A *development permit* is valid for such period not in excess of two (2) years from the date of issuance and expires thereafter.
- (n) Despite (m), a *development permit* may be extended by *Council* in accordance with subsection [A.2.2.4](#).
- (o) Despite (m), a *development permit* for a *resource – earth use* may exceed two (2) years to correspond with the permitting period issued by other governmental authorities such as, but not limited to, the Mineral Lands Division of the *DIET* or the Provincial Archaeology Office of the *DTCII*.
- (p) In accordance with subsection [A.2.1.6](#) and as a condition of approval, the *Delegated Employee* may issue a *development permit* on a temporary basis for a period less than two (2) years.

A.2.1.5 Approval in Principle – Delegated Employee

- (a) The *Delegated Employee* shall accept and review an *approval in principle* request in accordance with subsection [A.2.1.2](#).
- (b) No *approval in principle* shall be given unless, after reviewing materials submitted by the *Applicant*, the *Delegated Employee* is satisfied that the proposed *development* can, upon subsequent submission of a *development application*, conform to:
 - i. The *Plan* and *Regulations*, and any other plan, scheme, or regulation pursuant thereto;
 - ii. The standards in the *Building Code* and ancillary *Codes*; and

- iii. Any other applicable governmental by-laws, regulations, or statutes in legal force and effect regulating or controlling *development* or the conservation and *use* of land and *buildings* in the *MPA*.
- (c) The *Delegated Employee* shall give an *approval in principle* in writing and shall reference any attached materials that make up the approval.
- (d) No person shall erase, alter or modify any drawing or specifications upon which an *approval in principle* has been given by the *Delegated Employee*.
- (e) An *approval in principle* shall not prevent the *Delegated Employee* from thereafter requiring the correction of errors.
- (f) An *approval in principle* is valid for such period not in excess of two (2) years from the date of approval and expires thereafter.
- (g) An *approval in principle* shall not be extended by the *Delegated Employee*.
- (h) There shall be no required fee or form for an *approval in principle* request, but such request shall be made in writing.
- (i) An *approval in principle* may pertain to one (1) or more *lots*.
- (j) An *approval in principle* shall not represent a *development permit* to proceed with a proposed *development*.

A.2.1.6 Refusal or Conditions – Delegated Employee

- (a) The *Delegated Employee* may refuse a *development permit* or *approval in principle* request from the perspective that there is insufficient information to determine the effects of the proposed *development* on matters outlined in subsection A.2.1.3 (a).
- (b) In refusing or attaching conditions to a *development permit* or *approval in principle*, the *Delegated Employee* shall:
 - i. Give written notice to the *Applicant* stating the reasons; and
 - ii. The notice in i. shall include the *Applicant's* right to *appeal* in accordance with subsection B.4.

A.2.1.7 Right to Forward Application or Approval in Principle Request to Council

Despite the powers of the *Delegated Employee*, s/he reserves the right to forward any *application* or *approval in principle* request to *Council* for a decision.

A.2.1.8 Statement of Zoning for Property

- (a) An employee of the *Town* shall, upon receipt of a complete *administrative request* under subsection A.2.1.2, issue a written *statement of zoning for property* regarding the *use zone(s)* applied to the *lot* requested.
- (b) If requested by the *Applicant*, an employee of the *Town* shall also comment on whether or not proposed *use(s)* are *permitted, discretionary, or prohibited* within the respective *use zone*.

A.2.1.9 Statement of Compliance for Use and Development

- (a) An employee of the *Town* shall, upon receipt of a complete *administrative request* under subsection A.2.1.2, issue a written *Statement of Compliance for Use and Development* regarding the conformity of the existing *use*, and any associated *development* of the *lot(s)*, with the *Plan and Regulations*.
- (b) The *statement of compliance for use and development* may also address potential *non-conforming use* rights in accordance with the *Act* and *MDR*.

A.2.1.10 Orders – Delegated Employee

Right of Entry

- (a) In accordance with section 105 of the *Act*, the *Delegated Employee* may enter upon any public or private land and may at all reasonable times enter any *development* or *building* upon the land for the purpose of making surveys or examinations or obtaining information relative to the carrying out of any *development*, construction, alteration, repair, or any other works whatsoever which *Council* is empowered to regulate.

General Regulations

- (b) Where, contrary to the *Plan and Regulations*, or any plan, scheme, or regulation pursuant thereto, a person has undertaken or commenced a *building* or other *development*, the *Delegated Employee*, under subsection 109(3) of the *Act*, may order that the person pull down, remove, stop construction, fill in, or destroy that *building* or *development*, and may order that the person restore the site or area to its original state. [Subsection 102(1) of the *Act*]
- (c) A person ordered to carry out an action under this regulation shall be served with that order and shall comply with the order at the person's own expense.
- (d) The *Delegated Employee* may, in an order made under this subsection, specify a time within which there shall be compliance with the order.

Confirmation and Revocation

- (e) An order made under this regulation must be confirmed by *Council* in accordance with subsection A.2.2.13 (d).
- (f) An order made under this regulation continues in force until revoked by *Council* in accordance with subsection A.2.2.13 (e).

Service

- (g) Unless otherwise stated in the *Act*, a notice, order or other document required to be given, delivered or served under this regulation is sufficiently given, delivered or served where delivered personally or sent by registered mail addressed to the person at the latest known address of that person. [Subsection 107(1) of the *Act*]
- (h) Where a person to whom a notice, order or other document is to be given, delivered or served is a corporation, it shall be considered sufficiently given, delivered or served where delivered personally to a director or chief executive officer of that corporation. [Subsection 107(2) of the *Act*]
- (i) Where an order that can be made under this regulation cannot be given, delivered or served under either (g) or (h), that order is considered given, delivered or served if it is posted in a conspicuous place on the property to which the order relates. [Subsection 107(3) of the *Act*]
- (j) An order shall include the land *owner's* right to *appeal* in accordance with subsection B.4.

A.2.1.11 Subdivision

- (a) In accordance with 'Section D: Subdivision', the *Delegated Employee* may approve a *subdivision development application* for the creation of a new lot.
- (b) In accordance with subsection A.2.2.16, the *Delegated Employee* shall forward a *subdivision development application* that involves the extension or creation of new *public streets* to *Council* for review.

A.2.1.12 Development or New Lot with Private Access – Delegated Employee

Development with Private Access

- (a) The *Delegated Employee* may approve any *utility use* (except for *private wind energy system*) that does not front onto and have direct *access* to a *public street*.

New Lot with Private Access

- (b) The *Delegated Employee* may approve a *subdivision development application* for the creation of a new *lot* that does not front onto and have direct *access* to a *public street* for any *utility use* (except for *private wind energy system*).

- (c) A *development* or *subdivision* under (a) or (b) shall achieve *access* through other means deemed satisfactory to the *Delegated Employee*, which may include, but is not limited to, proof of a registered *easement*.
- (d) In accordance with subsection A.2.2.15, any other *development* or *subdivision* not outlined in (a) or (b), which proposes not to front onto and have direct *access* to a *public street*, shall be forwarded to *Council* for review and to render a decision.

A.2.2 POWERS OF COUNCIL

A.2.2.1 Delegation of Powers

- (a) *Council* shall, where designating employees to whom a power is to be delegated under subsection 109(2) of the *Act* (approve, approve with conditions, or reject *applications*) make that designation in writing.
- (b) *Council* shall, where designating employees to whom a power is to be delegated under subsection 109(3) of the *Act* [issuance of an order], make that designation in writing. [MDR section 18]—This designation may be concurrent with a designation made under subsection 404(6) of the *Municipalities Act, 1999*.
- (c) Despite a delegation under subsection A.2.1, *Council* may render a decision on any *application* or *approval in principle* request.

A.2.2.2 Review of Application or Request

Upon receipt of a complete *application* or *approval in principle* request forwarded to *Council* under subsection A.2.1.2 II. (b) or A.2.1.7, *Council* shall:

- (a) Review the proposal for conformance with the *Plan* and *Regulations*, and any other plan, scheme, or regulation pursuant thereto; and
- (b) Consider the potential impacts of the proposed *development* on matters outlined in subsection A.2.1.3 (a).

A.2.2.3 Issuance of Development Permit – Council

Council shall issue a *development permit* in the same manner as the *Delegated Employee* in accordance with subsection A.2.1.4.

A.2.2.4 Extension of Development Permit

- (a) Upon written request by the holder of a *development permit*, and if the proposed *development* specified under the permit has not been completed, *Council* may extend the permit for a period not in excess of one (1) year.

(b) A *development permit* shall not be extended by *Council* more than twice.

A.2.2.5 Cancellation or Suspension of Development Permit

Council reserves the right to cancel outright or suspend a *development permit* until further notice in the event that:

- (a) The *development permit* was issued in error;
- (b) The *development permit* was issued on the basis of incorrect information; or
- (c) The holder of the *development permit* fails to comply with these *Regulations* or any condition attached to the *development permit*.

A.2.2.6 Approval in Principle – Council

Council shall give an *approval in principle* in the same manner as the *Delegated Employee* in accordance with subsection [A.2.1.5](#).

A.2.2.7 Refusal or Conditions – Council

Discretionary Powers

- (a) Despite conformance of any proposed *development* with the *Regulations*, *Council* may, in its discretion, and as a result of its consideration of the matters outlined in subsection [A.2.1.3](#) (a) in accordance with the *policies* and *proposals* outlined in the *Plan*, refuse or attach conditions to a *development permit* or *approval in principle*.

General Requirements

- (b) *Council* shall refuse or attach conditions to a *development permit* or *approval in principle* in the same manner as the *Delegated Employee* in accordance with subsection [A.2.1.6](#).

A.2.2.8 Discretionary Use Application

Application

- (a) This regulation shall apply to the *uses* under the *discretionary use* row (D) of the *use zone tables* within subsection [E.2](#), and to *developments* otherwise specified under these *Regulations*.
- (b) *Council* shall review a *discretionary use application* in accordance with subsection [A.2.2.2](#).

Notice

(Note: See also subsection [A.2.2.12](#) for additional notice requirements.)

- (c) *Council* shall give notice of the *application* to the broad community by either:

- i. Posting notice on the *Town's* website for a minimum of 10 business days; or
 - ii. Publishing notice in a locally circulated newspaper.
- (d) *Council* shall also give notice of the *application* to the local neighbourhood by either:
- i. Posting a notification *sign* on the land that is the subject of the *application* for a minimum of 10 business days; or
 - ii. Delivering notices directly to all *owners* of land within 50.0m (164.0ft) of the land that is the subject of the *application*.

Rendering a Decision

- (e) Approval of a *discretionary use application* may be in conjunction with the issuance of a *development permit*.
- (f) *Council* shall render a decision on a *discretionary use application* in the same manner as a *development application* in accordance with subsection A.2.2.7.

A.2.2.9 Variance Application

Application

- (a) This regulation shall apply to a *variance application* to seek relief from the *yard, area, lot coverage, setback, size, height, [lot] frontage*, or any other numeric requirement of the applicable *use zone table* under subsection E.2. [*MDR* subsection 4(1)(x), definition of '*variance*']
- (b) *Council* shall review a *variance application* in accordance with subsection A.2.2.2.

General [MDR section 12]

- (c) Where an approval or permit cannot be given by the *Town* because a proposed *development* does not comply with the *development* standards set out in the *Regulations*, *Council* may, in its discretion, vary the applicable *development* standards to a maximum of 10% if, in *Council's* opinion, compliance with the *development* standards would prejudice the proper *development* of the land, *building* or *structure* in question or would be contrary to public interest.
- (d) *Council* shall not allow a *variance* from *development* standards set out in the *Regulations* if that *variance*, when considered together with other *variances* made or to be made with respect to the same land, *building* or *structure*, would have a cumulative effect that is greater than a 10% *variance* even though the individual *variances* are separately no more than 10%.
- (e) *Council* shall not permit a *variance* from *development* standards where the proposed *development* would increase the non-conformity of an existing *development*.

Notice

(Note: See also subsection A.2.2.12 for additional notice requirements.)

- (f) *Council* shall give notice of the *application* to the broad community by either:
- i. Posting notice on the *Town's* website for a minimum of 10 business days; or
 - ii. Publishing notice in a locally circulated newspaper.

[MDR section 13]

- (g) Where *Council* is to consider a proposed *variance*, *Council* shall give written notice of the proposed *variance* from *development* standards to all *owners* of land within 30.0m (98.4ft) of the land that is the subject of the *variance*.
- (h) *Council* may post a notification *sign* on the land that is the subject of the *application* for a minimum of 10 business days.

Rendering a Decision

- (i) *Variance* from the *Regulations* shall only be authorized if *Council* is satisfied that the *variance* has not become necessary due to the intentional or negligent conduct of the land *owner* or some other party acting with the *owner's* knowledge or consent.
- (j) Approval of a *variance application* may be in conjunction with the issuance of a *development permit*.
- (k) *Council* shall render a decision on a *variance application* in the same manner as a *development application* in accordance with subsection A.2.2.7.

A.2.2.10 Non-conforming Use Application

Application

- (a) This regulation shall apply to a *non-conforming use application* to:
- i. Change a *non-conforming use* associated with a *building, structure* or *development* to a *use* that is more compatible with the *Plan* and *Regulations*; or
 - ii. Internally or externally vary, extend or expand an existing *development* with a *non-conforming use* (an extension to an existing *building* with a *non-conforming use* shall not exceed 50% of the *floor area* of the *building*.)
- (b) *Council* shall review a *non-conforming use application* in accordance with subsection A.2.2.2.
- (c) *Council* shall, in accordance with the *Act, Plan* and *Regulations* and any other plan, scheme, or regulation pursuant thereto, allow a *development* or *use* of land to continue in a manner that does not conform with the *Plan* and *Regulations* provided that the *non-conforming use* legally

existed before the registration of the *Plan* and *Regulations* made with respect to that kind of *development* or *use*.

General [Section 108 of the *Act*]

- (d) A *building, structure* or *development* that does not conform to the *Plan* and *Regulations* that is allowed to continue under (c):
- i. Shall not be structurally modified except as required for the safety of the *building, structure* or *development*;
 - ii. Shall not be reconstructed or repaired for *use* in the same non-conforming manner where 50% or more of the value of that *building, structure* or *development* has been destroyed; and
 - iii. Despite ii., where said *building, structure* or *development* is within the 'Residential (RES)' *use zone* and is used primarily for residential purposes, may, in accordance with the *Plan* and *Regulations*, be repaired or rebuilt where 50% or more of the value of that *building* or *structure* is destroyed.

Residential Non-conformity [MDR section 14]

- (e) A residential *building* or *structure* referred to in (d) iii. must, where being repaired or rebuilt, be repaired or rebuilt in accordance with the *Plan* and *Regulations*.

Non-conformance with Standards [MDR section 16]

- (f) Where a *building, structure* or *development* does not meet the *development* standards included in the *Regulations*, the *building, structure* or *development* shall not be expanded if the expansion would increase the non-conformity; and an expansion must comply with the *development* standards applicable to that *building, structure* or *development*.

Discontinuance of Non-conforming Use [MDR section 17]

- (g) As per *proposal* B.2.2.3 (2) of the *Plan*, a right to resume operation of a discontinued *non-conforming use* of land shall not exceed 18 months.

Notice and Hearing on Change of Use [MDR section 15]

(Note: See also subsection [A.2.2.12](#) for additional notice requirements.)

- (h) Where considering a non-conforming *building, structure* or *development* under (a) i., and before making a decision to vary an existing *use* of that non-conforming *building, structure* or *development*, *Council* shall give public notice of an *application* to vary the existing *use* of a non-conforming *building, structure* or *development*; and shall consider any representations or submissions received in response to that notification.
- (i) *Council* shall give notice of the *application* to the broad community by either:

- i. Posting notice on the *Town's* website for a minimum of 10 business days; or
 - ii. Publishing notice in a locally circulated newspaper.
- (j) *Council* shall also give notice of the *application* to the local neighbourhood by either:
- i. Posting a notification *sign* on the land that is the subject of the *application* for a minimum of 10 business days; or
 - ii. Delivering notices directly to all *owners* of land within 100.0m (328.1ft) of the land that is the subject of the *application*.

Rendering a Decision

- (k) Approval of a *non-conforming use application* may be in conjunction with the issuance of a *development permit*.
- (l) *Council* shall render a decision on a *non-conforming use application* in the same manner as a *development application* in accordance with subsection A.2.2.7.

A.2.2.11 Amendment to Plan and/or Regulations

Plan Amendment Application

- (a) An *application* to amend the *Plan*, or *Plan and Regulations*, henceforth referred to as *Plan amendment application*, shall be in accordance with section 25 of the *Act*.
(Note: See also subsection A.2.2.12 for additional notice requirements.)
- (b) As a part of the public consultation requirement of section 14 of the *Act*, *Council* shall give notice of the *application* to the broad community by either:
 - i. Posting notice on the *Town's* website for a minimum of 10 business days; or
 - ii. Publishing notice in a locally circulated newspaper.
- (c) Where the *Applicant* applies to re-designate land as represented on the *Future Land Use Classes Map* and in addition to the notice requirement under (b), *Council* shall also give notice to the local neighbourhood by either:
 - i. Posting a notification *sign* on the land that is the subject of the *application*, which shall remain installed until 48 hours before the time/date of the scheduled public hearing under subsection 18(1) of the *Act*; or
 - ii. Delivering notices directly to all *owners* of land within 200.0m (656.2ft) of the land that is the subject of the *application*.
- (d) *Council* shall review the *Plan amendment application* in accordance with subsection A.2.2.2 and shall, in considering adoption under section 16 of the *Act*, take into account:

- i. Feedback from any and all forms of public consultation;
 - ii. Where applicable, interests of provincial or other governmental departments or agencies; and
 - iii. Potential impacts of the proposed *development* on matters outlined in subsection A.2.1.3 (a).
- (e) *Council* shall give public notice of the adoption and scheduled public hearing in accordance with section 17 of the *Act*.
- (f) In addition to the notice requirement under (e), *Council* may also post notice of the adoption and scheduled public hearing on the *Town's* website.
- (g) In accordance with subsection 13(1) of the *Act*, *Council* shall retain a *professional* planner to review and certify a proposed *Plan* amendment prior to considering the proposal for approval.
- (h) If a public hearing is required under sections 18 to 21 of the *Act*, and in approving the amendment(s) under section 23 of the *Act*, *Council* shall consider the written report and recommendations made by the Commissioner of the public hearing in accordance with section 22 of the *Act*.
- (i) If approved and registered, *Council* shall give public notice of the amendment in a locally circulated newspaper and the *Gazette* in accordance with subsection 24(2) of the *Act*.
- (j) In addition to the notice requirement under (i), *Council* may also post notice of registration on the *Town's* website.

Regulations Amendment Application

- (k) An *application* to amend the *Regulations* only, henceforth referred to as *Regulations amendment application*, shall be in accordance with subsection 35(5) of the *Act*.
- (Note: See also subsection A.2.2.12 for additional notice requirements.)
- (l) In accordance with subsection 35(5) of the *Act*, *Council* shall at minimum give notice of the *application* to the broad community by publishing notice in a locally circulated newspaper.
- (m) *Council* may also give public notice of the *application* to the broad community by posting notice on the *Town's* website.
- (n) Where the *Applicant* applies to re-zone land represented on the *Zoning Map* and in addition to the notice requirement under (l), *Council* shall also give notice of the *application* to the local neighbourhood by either:
- i. Posting a notification *sign* on the land that is the subject of the *application* for a minimum of 10 business days; or

- ii. Delivering notices directly to all *owners* of land within 100.0m (328.1ft) of the land that is the subject of the *application*.
- (o) *Council* may, in response to feedback received from (l), (m), or (n), hold a public meeting to consider objections and representations made by a person or an association of persons in response to the *application*.
- (p) *Council* shall review the *Regulations amendment application* in accordance with subsection A.2.2.2 and shall, in considering adoption, take into account:
 - i. Feedback from any and all forms of public consultation; and
 - ii. Potential impacts of the proposed *development* on matters outlined in subsection A.2.1.3 (a).
- (q) If adopted and registered, *Council* shall give public notice of the amendment in a locally circulated newspaper and the *Gazette* in accordance with subsection 24(2) of the *Act*.
- (r) In addition to the notice requirement under (q), *Council* may also post notice of registration on the *Town's* website.

Amendment without Application

- (s) Despite (a) to (r), *Council* may initiate an amendment to the *Plan* and/or *Regulations* without *application* or formal consent from the *owner(s)* of land affected by the amendment.
- (t) The public notice requirements under (c) and (n) shall not apply when proceeding with an amendment under (s).

A.2.2.12 Public Notice and Written Comments

- (a) In notifying and providing consultation opportunity to residents in accordance with subsections A.2.2.8 (c) i., ii., and (d) ii.; A.2.2.9 (f) i., ii., and (g); A.2.2.10 (i) i., ii., and (j) ii.; A.2.2.11 (b) i., ii., and (c) ii.; and A.2.2.11 (f), (l), (m), and (n) ii., the *Town* shall:
 - i. Indicate the person to whom written comments may be sent;
 - ii. State a place where and the hours during which the *application* and associated materials may be inspected by an interested person; and
 - iii. Allow 10 business days from the newspaper publication date, date of posting on the *Town's* website, mailing or hand delivery date for accepting written comments relating to the *application*.
- (b) In submitting written comments, residents should include two (2) copies with the following information for consideration by *Council*:
 - i. Name;

- ii. Signature;
- iii. Date; and
- iv. Civic address.

(c) In accordance with Section 20 of the *Act*, two (2) copies of written comments submitted under (b) shall be received and considered by *Council* up to 48 hours before scheduled time/date of a public hearing for a proposed amendment to the *Plan* under subsection A.2.2.11.

(d) The following table summarizes *application* types and required notification:

Table 3: Summary of Applications Types and Required Notification

(e) In accordance with subsection 35 (1)(i) of the *Act*, the cost of public notice shall be borne by the *applicant*.

(f) *Council* shall consider any representations or submissions received in response to any public notice required under these *Regulations*.

A.2.2.13 Orders – Council

General Regulations

- (a) *Council* may issue an order in the same manner as the *Delegated Employee* in accordance with subsections A.2.1.10 (b), (c), and (d).
- (b) *Council* may serve an order issued under this regulation via the *Delegated Employee* in accordance with subsections A.2.1.10 (g) to (j).
- (c) Where a person to whom an order is directed under this regulation does not comply with the order or a part of it, *Council* may take the action that it considers necessary to carry out the order and any costs, expenses or charges incurred by *Council* in carrying out the order are recoverable against the person against whom the order was made as a debt owed to *Council*. [Subsection 102(5) of the Act]

Confirmation and Revocation

- (d) An order made by the *Delegated Employee* under subsection A.2.1.10 shall be confirmed by a majority vote of the members of *Council* present at the next meeting of *Council* after the order is made, and if the order is not confirmed in this manner, it shall be considered to be cancelled. [Subsection 109(4) of the Act]
- (e) An order issued by *Council* under (a) or by the *Delegated Employee* under subsection A.2.1.10 (b) continues in force until revoked by *Council*. [Subsection 102(3) of the Act]

A.2.2.14 Record of Enforcement, Applications and Approval in Principle Requests

- (a) *Council* shall keep a record of any violations of the *Plan* or *Regulations* including, but not limited to, orders issued under subsections A.2.1.10 and A.2.2.13.
- (b) *Council* shall keep a public register of all *applications* and *approval in principle* requests, and shall enter therein *Council's* decision upon each *application* and the result of any appeal from that decision.

A.2.2.15 Development or New Lot with Private Access – Council

Development with Private Access

- (a) *Council* may approve a *development* that does not front onto and have direct *access* to a *public street* for the following *uses*:
 - i. *Agricultural use group* (all);
 - ii. *Commercial/institutional* – (N/A) – *special function tent*;
 - iii. *Commercial* – (N/A) – *vending facility*;

- iv. *Institutional – education – mobile educational/instructional use;*
- v. *Institutional – posthumous – cemetery;*
- vi. *Open space use group, all except interpretive centre;*
- vii. *Resource use group (all);*
- viii. *Sign – stand alone, all except portable and sandwich board sign;*
- ix. *Transportation use group, all except dispatch service; and*
- x. *Utility – (N/A) – private wind energy system.*

Subdivision with Private Access

- (b) *Council may approve a subdivision development application for the creation of a new lot that does not front onto and have direct access to a public street for uses under (a), except for mobile and transient uses outlined in ii., iii., and iv.*
- (c) *A development or subdivision under (a) or (b) shall achieve access through other means deemed satisfactory to Council, which may include, but is not limited to, proof of a registered easement.*
- (d) *A development application or subdivision development application under (a) or (b) with a proposed private access shall be considered in the same manner as a discretionary use by Council in accordance with subsection A.2.2.8, thereby requiring public notice (see subsection A.2.2.12).*

A.2.2.16 Subdivision with the Extension or Creation of New Public Streets

- (a) *Council may approve a subdivision development application that involves the extension or creation of new public streets.*
- (b) *This regulation applies to a subdivision development application that proposes to extend or build new public streets, or where Council requires the extension or creation of new public streets in order to meet the requirements of the Plan and Regulations.*
- (c) *A subdivision development application under (a) for the extension or creation of new public streets shall be treated in the same manner as a discretionary use by Council in accordance with subsection A.2.2.8, thereby requiring public notice (see subsection A.2.2.12).*

A.2.2.17 Back Lot Creation

- (a) *In accordance with subsection D.15, Council may approve a subdivision development application for a back lot development.*
- (b) *An application for the creation of a back lot and associated development shall be treated in the same manner as a discretionary use by Council in accordance with subsection A.2.2.8, thereby requiring public notice (see subsection A.2.2.12).*

B.1 SITE PLAN REQUIREMENTS

The *Delegated Employee* or *Council* may request a *site plan* to accompany a *development application*, and may require all or some of the following to be represented on the *site plan*:

- (a) An appropriate scale (e.g. 1:100, 1:250, 1:300, 1:400, 1:500);
- (b) Metric units of measurement for all dimensions, in accordance with subsection A.1.4;
- (c) North arrow;
- (d) Shape and dimensions of the *lot(s)* to be used;
- (e) Location of the land within the local or regional context;
- (f) Size, shape, bulk, location, and *use* of existing and proposed *buildings*, equipment, *structures*, and *utilities*;
- (g) Distance from *lot lines* and sizes of *buildings* or *structures* proposed to be constructed, already constructed, or partly constructed, on the *lot(s)*;
- (h) Proposed locations and dimensions of any *parking spaces*, *loading spaces*, *driveway accesses*, and *landscaping*;
- (i) Locations of any *fences*, *signs*, or retaining walls;
- (j) Locations of any natural features including, but not limited to *steep slopes*, existing trees or other vegetation, *watercourses* and wetlands, and the location of any existing or proposed *buildings* or *structures* in relation to natural features;
- (k) Details of *lot* dimensions and related *street lines*, including locational identifiers;

- (l) Locations, dimensions, and sizes including, but not limited to the number of *dwelling units*, *building heights*, and *floor areas* of all proposed *main* and *accessory buildings*;
- (m) Dimensions of all *yards*;
- (n) *Landscaping*, including *screening* and other natural and artificial features, including *easements*, power lines, culverts, drainage infrastructure, ditches, and *utilities*;
- (o) Existing and proposed *streets*, private *accesses*, right-of-ways, or *easements*;
- (p) Where appropriate, provision for post construction drainage of the site;
- (q) Where appropriate, elevation and perspective drawings of any *buildings* or *structures*;
- (r) Where appropriate, pre- and post-elevation drawings of land where the proposed *development* will significantly alter existing topography; and
- (s) Any other information the *Delegated Employee* or *Council* deems necessary to determine whether or not the proposed *development* conforms to the requirements of the *Plan* and *Regulations*.

B.2 SERVICE LEVY AND FINANCIAL GUARANTEES

B.2.1 SERVICE LEVY

- (a) *Council* may require a developer to pay a service levy where *development* is made possible or the density of potential *development* is increased, or where the value of property is enhanced by the carrying out of public works either on or off the site of the *development*.
- (b) A service levy shall not exceed the cost, or estimated cost, including finance charges to *Council* of constructing or improving the public works referred to in (a) that are necessary for the real property to be developed in accordance with the standards required by *Council* and for *main uses* allowed on that real property.
- (c) A service levy shall be assessed on the real property based on:
 - i. The amount of real property benefited by the public works related to all the real property so benefited; and,
 - ii. The density of *development* made capable or increased by the public work.
- (d) *Council* may require a service levy to be paid by the land *owner* of the real property at:
 - i. The time the levy is imposed;
 - ii. The time the *development* of the real property commences;
 - iii. The time the *development* of the real property is completed; or

- iv. Such other time as *Council* may decide.

B.2.2 FINANCIAL GUARANTEES BY THE DEVELOPER

- (a) *Council* may require a developer before commencing a *development* to make such financial provisions and/or enter into such agreements as may be required to guarantee the payment of service levies, ensure site reinstatement, and to enforce the carrying out of any other condition attached to a *development permit* or licence.
- (b) The financial provisions in (a) may be made in the form of:
 - i. A cash deposit from the developer, to be held by *Council*;
 - ii. A guarantee by a bank, or other institution acceptable to the Minister, for expenditures by the developer;
 - iii. A performance bond provided by an insurance company or a bank; or
 - iv. An annual contribution to a sinking fund held by *Council*.

B.3 DEDICATION OR REINSTATEMENT OF LAND

B.3.1 DEDICATION OF LAND FOR PUBLIC USE

Council may, for a *development* not involving a *subdivision*, require a portion of the land to be developed to be conveyed to the *Town* for a public purpose where public works are required to accommodate the proposed *development*.

B.3.2 REINSTATEMENT OF LAND

Council may order the developer, the site occupier, the land *owner*, or any of them to restore the site to the satisfaction of *Council* where:

- (a) The *use* of land is discontinued;
- (b) The intensity of the *use* is decreased;
- (c) A *development permit* has been cancelled or suspended under subsection [A.2.2.5](#); or
- (d) A *development permit* has expired as a condition of issuance.

B.4 APPEALS

B.4.1 GENERAL

Decisions that may be Appealed

- (a) A person or an association of persons aggrieved of a decision that, under the *MDR*, may be appealed, may *appeal* that decision to the appropriate *appeal board* where the decision is with respect to:
- i. An *application* or request to undertake a *development* including, but not limited to, decisions under subsections [A.2.1.4](#), [A.2.1.5](#), [A.2.2.3](#), [A.2.2.6](#), [A.2.2.8](#), [A.2.2.9](#), or [A.2.2.10](#);
 - ii. A cancellation or suspension of an approval or a *development permit* under subsection [A.2.2.5](#);
 - iii. The issuance of an order under subsections [A.2.1.10](#) or [A.2.2.13](#); and
 - iv. A decision permitted under the *Act* or another provincial Act to be appealed to the *appeal board*.

[Subsection 42(1) of the *Act*]

- (b) A decision of *Council* to adopt, approve or proceed with a plan, scheme, *development* regulations and amendments and revisions of them is final and not subject to an *appeal*; this regulation includes *applications* under subsection [A.2.2.11](#). [Subsection 42(2) of the *Act*]

Application for Appeal

- (c) An *appeal* shall be filed with the appropriate *appeal board* not more than 14 days after the person who made the original *application* appealed from has received the decision being appealed. [Subsection 42(4) of the *Act*]
- (d) An *appeal* shall be made in writing and shall include:
- i. A summary of the decision appealed from;
 - ii. The grounds for the *appeal*; and
 - iii. The required fee.

[Subsection 42(5) of the *Act*]

B.4.2 NOTICE OF RIGHT TO APPEAL

[MDR section 5]

Where the *Delegated Employee* or *Council* makes a decision that may be appealed under section 42 of the *Act*, the *Delegated Employee* or *Council* shall, in writing, at the time of making that decision, notify the person to whom the decision applies of the:

- (a) Person's right to *appeal* the decision to the *appeal board*;
- (b) Time by which an *appeal* is to be made;
- (c) Right of other interested persons to *appeal* the decision; and
- (d) Manner of making an *appeal* and the address for the filing of the *appeal*.

B.4.3 APPEAL REQUIREMENTS

[MDR section 6]

- (a) The secretary of the *appeal board* at the Department of Municipal and Provincial Affairs, Confederation Building (West Block), P.O. Box 8700, St. John's, NL, A1B 4J6 is the secretary to all *appeal boards* in the province and an *appeal* filed with that secretary within the time period referred to in subsection B.4.1 (c) shall be considered to have been filed with the appropriate *appeal board*.
- (b) The fee required under section 44 of the *Act* shall be paid to the *appeal board* that hears the decision being appealed by filing it with the secretary referred to in (a) within the 14 days referred to in subsection 42(4) of the *Act*.
- (c) The *appeal board* that hears the decision being appealed shall, subject to subsection 44(3) of the *Act*, retain the fee paid to the *appeal board*.
- (d) Where an *appeal* of a decision and the required fee is not received by an *appeal board* in accordance with this regulation and Part VI of the *Act*, the right to *appeal* that decision shall be considered to have been forfeited.

B.4.4 APPEAL REGISTRATION

[MDR section 7]

- (a) Upon receipt of an *appeal* and fee as required under the *Act* and these *Regulations*, the secretary of the *appeal board* as referred to in subsection B.4.3 (a), shall immediately register the *appeal*.

- (b) Where an *appeal* has been registered, the secretary of the *appeal board* shall notify *Council* of the *appeal* and shall provide to *Council* a copy of the *appeal* and the documentation related to the *appeal*.
- (c) Where *Council* has been notified of an *appeal*, *Council* shall forward to the appropriate *appeal board* a copy of the *application* being appealed, all correspondence, *Council* minutes, plans and other relevant information relating to the *appeal* including the names and addresses of the *applicant* and other interested persons of whom *Council* has knowledge.
- (d) Upon receipt of the information in (c), the secretary of the *appeal board* shall publish in a newspaper circulated in the *Town* a notice that the *appeal* has been registered.
- (e) A notice published under (d) shall be published not fewer than two (2) weeks before the date upon which the *appeal* is to be heard by the *appeal board*.

B.4.5 DEVELOPMENT PROHIBITED

[MDR section 8]

- (a) Immediately upon notice of the registration of an *appeal*, *Council* shall ensure that any *development* upon the property that is the subject of the *appeal* ceases.
- (b) Sections 102 and 104 of the *Act* apply to *Council* acting under (a).
- (c) Upon receipt of a notification of the registration of an *appeal* with respect to an order under section 102 of the *Act*, *Council* shall not carry out work related to the matter being appealed.

B.4.6 HEARING NOTICE AND MEETINGS

[MDR section 9]

- (a) An *appeal board* shall notify the appellant, *applicant*, *Council* and other persons affected by the subject of an *appeal* of the date, time and place for the *appeal* not fewer than seven (7) days before the date scheduled for the hearing of the *appeal*.
- (b) An *appeal board* may meet as often as is necessary to conduct its work in an expeditious manner.

B.4.7 HEARING OF EVIDENCE

[MDR section 10]

- (a) An *appeal board* shall meet at a place within the area under its jurisdiction and the appellant and other persons notified under subsection B.4.6 (a) or their representative may appear before the *appeal board* and make representations with respect to the matter being appealed.

- (b) An *appeal board* shall hear an *appeal* in accordance with section 43 of the *Act* and these *Regulations*.
- (c) A written report submitted under subsection 43(2) of the *Act* respecting a visit to and viewing of a property shall be considered to have been provided in the same manner as evidence directly provided at the hearing of the *appeal board*.
- (d) In the conduct of an *appeal* hearing, the *appeal board* is not bound by the rules of evidence.

B.4.8 BOARD DECISION

- (a) A decision of the *appeal board* must comply with the *Plan* and *Regulations*, or any further scheme, plan or regulation pursuant thereto that apply to the matter that has been appealed to that *appeal board*.

[MDR section 11]

- (b) In determining an *appeal*, an *appeal board* may confirm, reverse or vary the decision appealed from and may impose those conditions that the *appeal board* considers appropriate in the circumstances and may direct *Council* to carry out its decision or make the necessary order to have its decision implemented.

[Subsection 42(10) of the *Act*]

- (c) Despite (b), where *Council* may, in its discretion, make a decision, an *appeal board* shall not make another decision that overrules the discretionary decision.

[Subsection 42(11) of the *Act*]

- (d) Where, on *appeal*, a *development permit* is confirmed or ordered to be issued, *Council* shall issue the *development permit* as confirmed or ordered by the *appeal board*.

[Subsection 45(2) of the *Act*]

- (e) Where an *appeal* made is successful, an amount of money equal to the fee paid by the appellant shall be paid to the appellant by *Council*.

[Subsection 44(3) of the *Act*]

B.5 MULTIPLE MAIN BUILDINGS AND ASSOCIATED MAIN USES

- (a) Only one (1) *main building* is allowed per *lot* in any *use zone* for the follow *residential uses*:
 - i. *Double unit dwelling*;
 - ii. *Micro dwelling*;

- iii. *Mini home dwelling*;
- iv. *Mobile home dwelling*;
- v. *Multi-unit dwelling* (≤ 3 DUs); and
- vi. *Single unit dwelling*.

(b) Where multiple *main uses* are proposed on one (1) *lot*, and despite where said *uses* are listed as *permitted uses* under subsection E.2, the proposed combination of *uses* shall constitute a *discretionary use* under subsection A.2.2.8.

(c) *Main buildings* shall be separated a minimum of 7.5m (24.6ft) on a *lot*.

B.6 ACCESSORY USES

- (a) Where these *Regulations* provide for any land to be used, or *building* to be erected or used for a purpose, the purpose shall include any *accessory use*.
- (b) *Accessory uses* shall be clearly incidental and complementary to the *use* of the *main building* or *structure* and be contained on the same *lot* as the *main building* or *structure*.

B.7 EXISTING UNDERSIZED LOTS

- (a) Nothing in these *Regulations* shall prevent the *use* of an undersized *lot* in existence on the effective date of these *Regulations*. This provision shall not apply to newly created, undersized *lots* after the initial date in which these *Regulations* take force and effect.
- (b) Despite (a), any proposed *development* shall conform to all other *development* standards in these *Regulations*.

B.8 FRONTING ONTO A PUBLIC STREET, ACCESSES AND SERVICE STREETS

B.8.1 FRONTING ONTO A PUBLIC STREET AND ACCESS

No person shall erect or use a *building* or *structure* or use any *lot* regulated by these *Regulations* unless the *lot* to be used, or the *lot* upon which the *building* or *structure* is situated or to be situated, abuts or fronts on a *public street* or otherwise achieves satisfactory *access* to a *street* as approved by *Council* under subsection A.2.2.15.

B.8.2 PRIOR APPROVAL AND LOCATION

- (a) No *access* to a *street* may be made without the permission of the *Delegated Employee* or *Council*.

- (b) Access shall be located to the specification of the *Delegated Employee* or *Council* so as to ensure the greatest possible convenience and safety of the *street* system.
- (c) Before granting an approval for an *access*, the *Delegated Employee* or *Council* shall have regard to safety and efficiency of the *street* for both *motor vehicles* and pedestrians.
- (d) No vehicular *access* shall be closer than 10m (32.8ft) to the *street line* of any *street* intersection.
- (e) Access to a provincially-owned *public street* shall be subject to the requirements and approval of *DTI*.

B.8.3 SERVICE STREETS

The *Delegated Employee* or *Council* may prescribe the construction of service *streets* to reduce the number of *accesses* to *public streets*.

B.9 ALTERATIONS TO THE NATURAL ENVIRONMENT

- (a) *Development* proposals shall include plans for grading, ditching, and *landscaping*.
- (b) Significant alterations to the natural environment as part of a *development*—such as, but not limited to, changing the drainage pattern or removing vegetation—will be considered during the evaluation of *development* proposals.

B.10 SITE DRAINAGE

- (a) No person shall alter the land levels insofar as this may affect surface drainage, except where the altered land levels provide that the resulting surface drainage shall be retained on the land and/or discharged into an existing ditch capable of carrying such additional water.
- (b) Attention shall be given to proper site surface drainage so that removal of surface water will not adversely affect neighbouring *lot(s)*, *streets*, or other public infrastructure.
- (c) Storm-water shall be removed from all roofs and *paved* areas and carried away in an efficient and approved manner.
- (d) In accordance with subsection [A.2.1.3](#), a *lot drainage and grading plan* prepared by a *professional* engineer may be required depending on the scale of the *development* or the potential for increased surface drainage.

B.11 BUILDING AND STRUCTURE LINE SETBACK

Prohibitions

- (a) No *building*, *structure*, or part thereof shall be permitted within 8.0m (26.2ft) of a *street line*.

Exemptions

- (b) The following *structures* are exempt from (a), but must conform to all other provisions in these *Regulations*:
- i. *Fences*;
 - ii. *Signs* (see subsection C.2.4 for required *setback*);
 - iii. *Special function tent*; and
 - iv. *Structures* associated with *utilities*.
- (c) A reduced *building line setback* is permitted in the event that:
- i. Two (2) *buildings* on adjacent *lots* (on the same side of the *street*) are within 30.0m (98.4ft) of the location of the proposed *building*, wherein the average of the two (2) reduced *building lines* of the existing *buildings* is taken; or
 - ii. One (1) *building* on an adjacent *lot* (on the same side of the *street*) is within 30.0m (98.4ft) of the location of the proposed *building*, wherein the average of the reduced *building line* of the existing *building* and the required *building line* is taken.

Building and Structure Line Setback from Provincial Streets

- (d) Despite (a) and where there are *public street setbacks* in force through the provincial *Building Near Highways Regulations, 1997, NLR 28/97*, said *setbacks* shall constitute the *building line* and *structure line setbacks* under these *Regulations*.

B.12 EXISTING BUILDINGS AND STRUCTURES

Where a *building* or *structure* has been erected or placed on or before the date that these *Regulations* are published in the *Gazette* and is non-conforming with any *setback* or *yard* requirement, the *building* or *structure* may be enlarged provided that:

- (a) In accordance with subsection 108(3)(f) of the *Act*, the enlargement does not further reduce any *setback* or *yard* requirement that does not conform to these *Regulations*; and
- (b) All other applicable provisions of the *Plan* and *Regulations* are satisfied.

B.13 USES REQUIRING THE DISPOSAL OF SEWAGE

Where a proposed *use* requires the disposal of sewage, no *development permit* shall be issued unless sewage can be managed by on-site sewerage facilities such as, but not limited to, a septic tank and disposal field and be approved by *DDGSNL*.

B.14 LANDSCAPING

- (a) A minimum percent *landscaping* of total *lot area* and a minimum *landscaping* strip along all *lot lines* shall be required and maintained for a proposed *development* in accordance with the following table, provided that such minimum *landscaping* strip may be interrupted by *accesses*:

<i>Use Group of Proposed Development</i>	<i>Minimum % Landscaping of Total Lot Area</i>	<i>Minimum Width of Landscaping Strip</i>
i. <i>Commercial, institutional, and transportation (dispatch service and marina only)</i>	10%	1.5m (4.9ft); or 3.0m (9.8ft) when abutting an RES <i>use zone</i> boundary or a <i>lot line</i> of a <i>lot</i> containing an existing <i>residential use</i>
ii. <i>Industrial and transportation (transportation hub only)</i>	5%	3.0m (9.8ft); or 10.0m (32.8ft) when abutting an RES <i>use zone</i> boundary or a <i>lot line</i> of a <i>lot</i> containing an existing <i>residential use</i>
iii. <i>Residential (multi-unit dwelling only)</i>	10%	1.5m (4.9ft)

Table 4: Minimum Landscaping Requirements

- (b) *Landscaping* shall be completed no later than two (2) years from the date of issuance of the *development permit*.
- (c) No *buildings* or required *parking* shall be located in any required *landscaping* area.

B.15 SCREENING

General

- (a) In accordance with subsections [A.2.1.6](#) and [A.2.2.7](#), the provision of adequate and suitable *screening* may be made a condition of any *development permit* where, in the opinion of the *Delegated Employee* or *Council*, the *screening* is desirable to preserve amenity or to protect the environment.
- (b) In establishing the *screening* requirement for a proposed *development*, the *Delegated Employee* or *Council* shall give consideration to the following:
- i. The health, safety, and general well-being of residents of adjacent properties;
 - ii. The established character of the neighbourhood in which the *development* is proposed; and
 - iii. The general public interest.

Materials

- (c) Plant materials characterized by dense growth that will form an effective year-round screen shall be planted, or a *fence* or wall shall be constructed to form the screen.
- (d) *Screening* may consist of both natural and man-made materials.

- (e) Where a *fence* is used as *screening*, the *fence* shall be constructed such that the framework and any supports shall not be visible from the adjacent *lot*.
- (f) To the extent practical, existing trees and vegetation shall be retained and used to satisfy the provisions of this regulation.

Height

- (g) Except within a *daylighting triangle*, *screening* shall be at least 1.5m (4.9ft) in height.
- (h) Plant materials, when planted, may be less than 1m (3.3ft) in height if of a species or variety that shall normally attain the required height and width within three (3) years of planting.
- (i) No garbage shall be stored in any garbage storage area so as to exceed the height of the surrounding *fence* or *screening*.

Maintenance

- (j) All required plant materials shall be maintained in a healthy condition and whenever necessary replaced with new plant materials to ensure continued compliance with *screening* requirements.
- (k) All required *fences* and walls shall be maintained in good repair and presentable appearance and whenever necessary repaired or replaced.

B.16 HEIGHT REGULATIONS

The *building height* and *structure* height provisions of these *Regulations* shall not apply to church spires, water tanks, elevator enclosures, silos, flagpoles, television or radio antennae, ventilators, skylights, barns, chimneys, clock towers, windmills, or solar collectors attached to a *main building* or *structure*, except where specifically regulated in the *Regulations* or by other federal, provincial, or municipal requirements.

B.17 ARCHAEOLOGICAL ASSESSMENT

- (a) The *Delegated Employee* or *Council* shall refer any public works or major *development* plan within the *Town* to the Provincial Archaeology Office for review. In accordance with paragraph 13(1)(a) of the *Historic Resources Act* and where deemed appropriate by the Provincial Archaeology Office, archaeological surveys may be required by the Provincial Archaeology Office in areas of high potential for discovery prior to *development* to safeguard any site of historic significance yet to be discovered.
- (b) In accordance with subsection 10(1) of the *Historic Resources Act*, the *Delegated Employee* or *Council* shall immediately notify the Provincial Archaeology Office of the discovery of historic resources that has occurred in result of undertaking any *development* or land disturbance activity. In accordance with subsection 10(2) of the *Historic Resources Act*, a person, other than

one to whom a permit has been issued under the *Historic Resources Act*, who discovers an archaeological object or a significant fossil shall not move, destroy, damage, deface, obliterate, alter, add to, mark or interfere with or remove that object or fossil from the province. The Provincial Archaeology Office may issue a temporary stop work order for the *development* or land disturbance activity in accordance with section 31 of the *Historic Resources Act*.

B.18 SOIL REMOVAL, DEPOSIT AND SITE GRADING

- (a) Where not part of an approved *development*, land disturbance involving the removal, deposition or grading on a property that results in extensive cut and fill, shall require *application* showing the full extent of disturbance that is intended, for review and approval by the *Delegated Employee* or *Council*.
- (b) *Council* may require a developer to assess geotechnical aspects, visual and environmental impacts, as well as impacts on adjoining properties; and where alterations to the landscape are approved, financial guarantees under subsection B.2.2 may be required to ensure adequate site rehabilitation and/or *landscaping*.

B.19 PARKING

B.19.1 GENERAL REQUIREMENTS

For proposed new *developments* requiring a *development permit*:

Number of Parking Spaces Required

- (a) For every *building, structure, or use* to be erected, enlarged or established, there shall be provided and maintained a quantity of off-street *parking spaces* sufficient to ensure that the flow of traffic on adjacent *streets* is not impeded by the parking of *motor vehicles* associated with that *building, structure, or use*.

Location of Required Parking

- (b) All required *parking spaces* shall be provided on the same *lot* as the proposed *development*.
- (c) Despite (b), off-site *parking* on a *lot* in the vicinity of the proposed *development* may be permitted by the *Delegated Employee* or *Council*, provided that there is a written agreement between both parties that provides sufficient detail regarding the off-site parking arrangement.

General Standards for All Parking

- (d) There shall be adequate provision for *access* to a *street* for each *parking space*.
- (e) Unless otherwise permitted, each *parking space* shall be readily accessible and maintained at all times for the parking and manoeuvring of a *motor vehicle* without the necessity of moving another *motor vehicle*.

(f) No part of any off-street parking area shall be closer than 1.5m (4.9ft) to the *front lot line*.

B.19.2 DESIGN STANDARDS FOR PARKING LOTS

The following design standards shall only apply to *parking lots* with four (4) or more *parking spaces*:

Minimum Internal Aisle Widths

(a) The minimum *internal aisle* widths for a proposed *parking lot* shall be in accordance with the following table, whereby the angle is measured from the intersection of the centre line of the *parking spaces* and the centre line of the *internal aisle*:

I. Angle of <i>Parking Spaces</i>	II. Minimum <i>Internal Aisle</i> Width
i. 70° – 90°	6.0m (19.7ft) for one (1) or two (2) directional lanes of travel
ii. ≥50° but <70°	5.5m (18.0ft) for each directional lane of travel
iii. <50°	4.0m (13.1ft) for each directional lane of travel

Table 5: Minimum Internal Aisle Widths

Dimensional Requirements for Standard Parking Spaces

(b) Required *standard parking spaces* shall be rectangular with minimum and maximum dimensions as per the following table:

I. Access and Orientation	II. Length Requirement	III. Width Requirement
i. Accessed from <i>internal aisle</i> ≤6.0m in width	5.6m (18.4ft) – 6.0m (19.7ft)	2.9m (9.5ft) – 3.2m (10.5ft)
ii. Adjacent and parallel to <i>internal aisle</i>	6.7m (22.0ft) – 7.1m (23.3ft)	2.6m (8.5ft) – 3.2m (10.5ft)
iii. Any <i>access</i> or orientation not outlined under i. or ii.	5.6m (18.4ft) – 6.0ft (19.7ft)	2.6m (8.5ft) – 3.2m (10.5ft)

Table 6: Dimensional Requirements for Standard Parking Spaces

(c) The minimum widths in (b) III. must be increased by 0.3m (1.0ft) for each side of the *standard parking space* that is obstructed by any fixed object such as, but not limited to, a wall, column, bollard, fence, or pipe that is:

- i. Within 0.3m (1.0ft) of the side of the *standard parking space*, measured at right angles, and
- ii. More than 1.0m (3.3ft) from the front or rear of the *standard parking space*.

Barrier-free Parking for Persons with Disabilities

(d) Barrier-free parking standards to accommodate persons with disabilities shall meet the requirement of the provincial *Buildings Accessibility Regulations*, CNLR 1140/96.

(e) Required *barrier-free parking spaces* shall be rectangular with the same minimum and maximum length requirements of *standard parking spaces* as per (b) II.

General Standards for Parking Lots

- (f) The surface of any *parking lot*, including associated *driveways* and *internal aisles*, shall be adequately drained including the prevention of discharge of sediment to adjacent *lots* and treated to prevent the raising of dust.
- (g) In paved parking *lots*, each *parking space* must be painted, marked, or otherwise delineated.
- (h) If the *parking* area is to be used in the winter, there shall be a designated location on the *lot* for the safe storage of snow, which shall not impede the regular flow of on- and off-site traffic.

B.20 OFF-STREET LOADING

- (a) For every *building, structure, or use* to be erected, enlarged or established requiring the shipping, loading or unloading of goods, wares or merchandise, there shall be provided and maintained for the premises, loading facilities on land that is not part of a *street* comprised of one (1) or more *loading spaces*.
- (b) *Loading spaces* shall be readily accessible and usable at all times.
- (c) All loading and unloading shall occur on-site and not block any *street* or *parking facilities*.

B.21 DRIVE-THRUS AND QUEUING

Number of Queuing Spaces Required

- (a) For every *building, structure, or use* to be erected, enlarged or established requiring a *drive-thru* facility, there shall be provided and maintained a quantity of *queuing spaces* sufficient to ensure that the flow of traffic on adjacent *streets* is not impeded by the queueing of *motor vehicles* associated with that *building, structure, or use*.
- (b) In accordance with subsection A.2.1.3, a queueing/traffic study may be required if the expected number of *drive-thru* trips will exceed 40 *motor vehicles* per hour during peak periods.

Queuing Lanes

- (c) *Queuing lanes* may require *screening* in accordance with subsection B.15.
- (d) *Queuing lanes* shall be located so that queued *motor vehicles* do not block or obstruct general *motor vehicle* circulation throughout the site, *building* entrances, *access* to *loading spaces*, or required *parking facilities*.
- (e) A queuing *lane* shall be separated from any *lot line* abutting a *street* by a minimum of 3.0m (9.8ft).
- (f) At least one (1) *building* entrance shall be located so that pedestrian *access* to that entrance either:

- i. Does not cross a queuing *lane*; or
 - ii. Crosses a queuing *lane* only in a location behind the required queuing *spaces*.
- (g) Any *building* entrance location that requires pedestrians to cross a queuing *lane* shall incorporate *sign(s)* and a change in surface material, height, or use of paint to distinguish the pedestrian crossing from the queuing *lane* surface.

Sound and Light Pollution

- (h) Any outdoor speakers used for a *drive-thru* facility shall be separated from a *lot line* abutting an RES *use zone* boundary or *lot line* of a *lot* containing an existing *residential use*, at a minimum distance of 20.0m (65.6ft), unless otherwise separated by a *building*.
- (i) Any outdoor lighting for a *drive-thru* facility shall be located and arranged so that no direct rays of light are oriented at an RES *use zone* boundary or *lot line* of a *lot* containing an existing *residential use*.

B.22 PERMITTED ENCROACHMENTS

Despite any provisions in these *Regulations*, encroachments are permitted as follows:

- (a) Enclosed patios, fire escapes, walkways, wheelchair ramps, lifting devices, or steps may be located a maximum of 1.5m (4.9ft) into any *required front* or *rear yard*, and 0.9m (3.0ft) into any minimum *side yard*.
- (b) There may be erected or maintained in any *yard* the usual projections of sill, cornices, eaves, gutters, chimneys, pilasters, canopies, or other architectural features, provided that no such *structure* or feature shall project more than 0.6m (2.0ft) into any *required yard*.
- (c) Window bays and solar collectors may be permitted to project not more than 0.9m (3.0ft) from the *main wall* into a *required front, rear, or side yard*.
- (d) Exterior staircases, steps, balconies, porches, verandas, and sundecks shall be permitted to project a maximum of 2.0m (6.6ft) into any *required front* or *rear yard* and 0.9m (3.0ft) into any *required side yard*, provided that said *structures* do not extend closer than 1.0m (3.3ft) from the nearest *lot line*.
- (e) Pumps and islands for the distribution of automotive fuel shall be allowed to locate within any *required yard* to the satisfaction of the *Delegated Employee* or *Council*.
- (f) *Sign setbacks*, and any permitted encroachments, are specified under subsection C.2.4.

B.23 MAINTENANCE OF REQUIRED SIDE YARDS

Side yards shall be provided on the exposed sides of every *building* and kept clear of obstruction in order to provide access for *safety emergency services* and the maintenance of that *building*.

B.24 ILLUMINATION

- (a) No person shall erect any illuminated *sign* or illuminate an area around or outside any *building* in any *use zone*, unless such illumination is directed away and shielded from adjoining properties and any adjacent *streets* and does not interfere with the effectiveness of any traffic control device.
- (b) Any lighting proposed to illuminate an *off-street* parking area or an *outdoor display court* shall be located and arranged so that all direct rays of light are directed upon the parking area or an *outdoor display court* only and not on any adjoining *lots* or interfere with the effectiveness of any traffic control device.

B.25 WASTE DISPOSAL CONTAINERS

- (a) A waste disposal container shall not displace or be placed in any required *landscaping*, parking, loading, or queueing areas.
- (b) A waste disposal container shall be located a minimum of 5.0m (16.4ft) from an RES *use zone* boundary or *lot line* of a *lot* containing an existing *residential use*; or a minimum of 3.0m (9.8ft) from any other *lot line*.
- (c) In accordance with subsection B.15, the provision of adequate and suitable *screening* may be required where, in the opinion of the *Delegated Employee* or *Council*, the *screening* is desirable to preserve amenity or to protect the environment.

B.26 UNAUTHORIZED DEVELOPMENT ON PUBLIC LAND

- (a) No unauthorized *development* shall be permitted in the right-of-way of a *public street* or other land vested in the *Town*, provincial or federal governments.
- (b) The removal of projections onto the right-of-way of a public street or other land vested in the *Town* shall be in accordance with section 168 of the *Municipalities Act*. This includes, but is not limited to, *buildings*, *fences*, *signs*, or other *structures*.

B.27 DAYLIGHTING TRIANGLE

Except for a column of up to 0.2m (0.7ft) in diameter supporting an upper storey projection, a *fence*, *sign*, hedge, shrub, bush, tree, or any other *structure* or vegetation shall not be erected or permitted to

grow to a height of 0.6m (2.0ft) or more in the *daylighting triangle* (note: definition in 'Appendix B: Definitions' contains a diagram).

B.28 DEVELOPMENT PERMIT EXEMPTIONS

- (a) Despite subsection A.2.1.4, the requirement of a *development permit* is waived for the following *developments*:
- i. *Sign re-facing* as per subsection C.2.1 (b);
 - ii. *Signs* exempted under subsection C.2.3;
 - iii. *Flag pole*;
 - iv. *Planter structure* for flower, vegetable, or other similar garden for *private use*;
 - v. *Swimming pool* designed to be temporary and portable;
 - vi. *Internal renovation of a building* with no change in *use* or change in intensity of *use*;
 - vii. *Swing set, slide, or other similar children's play structure* designed for *private use* associated with a *dwelling*;
 - viii. *Portable garage* or other portable tent or tarp shelter; and
 - ix. *Deck or other exterior platform, including exterior stairs and ramps*.
- (b) Despite the *development permit* exemptions under (a) and unless otherwise specified, all other provisions of these *Regulations* apply and are enforceable as per subsections A.2.1.10 and A.2.2.13.

B.29 FIRST NATIONS REFERRALS AND CONSULTATION

- (a) The *Town* shall engage and consult First Nations groups, such as the Port au Port Ward of the Qalipu Mi'kmaq First Nation Band, when making discretionary decisions that may impact First Nations history, culture, or traditional land *use* activities.
- (b) Decisions warranting referral under (a) may include discretionary decisions to amend the *Plan* or *Regulations*, or approve *development applications*.

B.30 WATER RESOURCES MANAGEMENT DIVISION REFERRALS

In order to determine any provincial permitting requirements of the provincial Water Resources Management Division, the *Town* shall refer to the Division any proposed *development*:

- (a) *Unserviced subdivision development* (for example, a proposed *subdivision* of more than four (4) new *lots* will require a Level I Groundwater Supply Assessment, and a proposed *subdivision* of

more than 15 new *lots* will require a Level II Groundwater Supply Assessment, as per the provincial 'Groundwater Supply Assessment and Reporting Guidelines For Subdivisions Served by Individual Private Wells');

- (b) Within a provincially designated Protected Water Supply Area (note 'Surface Water PWSA' and 'Drilled Well PWSA' overlays on the *Future Land Use Classes Map* and *Zoning Map*);
- (c) Along the coastline or in the shore waters;
- (d) Within the 'Cliff Edge Buffer (40m)' overlay on the *Future Land Use Classes Map* and *Zoning Map*; and
- (e) Within 15m of a water body.

B.31 CLIFF EDGE BUFFER

As per *proposal B.2.10.3 (2)* of the *Plan*:

- (a) Despite the listed *permitted uses* and *discretionary uses* of any underlying *use zone* under subsection E.2, *main buildings* of *residential uses* and the following *institutional uses* are prohibited within the 'Cliff Edge Buffer (40m)' overlay, as outlined on the *Future Land Use Classes Map* and *Zoning Map*:
 - i. *Assisted living facility*;
 - ii. *Child care service – centre based*;
 - iii. *Child care service – family*;
 - iv. *Educational use*;
 - v. *Hospital*;
 - vi. *Medical clinic*;
 - vii. *Personal care home – institutional*;
 - viii. *Philanthropic use*; and
 - ix. *Place of worship*.
- (b) Private, on-site septic and drainage infrastructure is prohibited within the 'Cliff Edge Buffer (40m)' overlay, as outlined on the *Future Land Use Classes Map* and *Zoning Map*.
- (c) For any other proposed *permitted use* or *discretionary use* within the 'Cliff Edge Buffer (40m)' overlay, *Council* may require a Geo-Technical Report, prepared by a *professional* geologist or engineer, prior to issuing a *development permit* within the 'Cliff Edge Buffer (40m)' overlay, as outlined on the *Future Land Use Classes Map* and *Zoning Map*.

- (d) Upon consideration of findings from (c) or any referral response from the Water Resources Management Division under subsection B.30 (d), *Council* may exercise its discretionary authority under subsection A.2.2.7 (a) to refuse a proposed *development* within the 'Cliff Edge Buffer (40m)' overlay.
- (e) Where there is discrepancy between the buffer as marked 'Cliff Edge Buffer (40m)' overlay on the *Future Land Use Classes Map / Zoning Map* and the on-the-ground measurement, the on-the-ground measurement shall take precedence and apply to all of the requirements under this subsection B.31.

B.32 WILDLIFE DIVISION REFERRALS

- (a) In order to ascertain any potential adverse impact on endangered and sensitive plant species, *Council* shall forward any *development* proposal within the 'Sensitive Wildlife Area (SWA) and Endangered (End.) Plant Habitat' overlay on the *Future Land Use Classes Map* and *Zoning Map* to the Wildlife Division of the Department of Fisheries, Forestry and Agriculture. (Note: As the Wildlife Division surveys, monitors, and gathers new information on rare and endangered species, the boundaries of this overlay may change. The *Town* shall contact the Wildlife Division regularly to ensure that these boundaries, and the application thereof, are kept current.)
- (b) Based on recommendations from the Wildlife Division under (a), *Council* may require the *applicant* to conduct a rare plant survey prior to issuing any *approval in principle* or *development permit*.

C.1 ACCESSORY BUILDINGS

General Standards

- (a) Where the *Regulations* provide that any land may be used or a *building* may be erected, altered or used for any purpose, that purpose shall include *accessory buildings*.
- (b) An *accessory building* shall be clearly incidental and accessory to the *main use* of the *lot*.
- (c) An *accessory building* shall be erected or placed on the same *lot* upon which the *main use* is situated.
- (d) No *accessory building* shall be used for human habitation.

[Note: This regulation is continued on the next page.]

Zone Development Standards

(e) No *accessory building* shall be erected or placed unless in accordance with the following table:

	I. RES use zone	II. CD use zone	III. All other use zones
i. Maximum number of <i>accessory buildings</i> per lot	2	3	No Limit
ii. Maximum footprint of any <i>accessory building</i>	Shall not exceed the footprint of the <i>main building</i>	Shall not exceed the footprint of the <i>main building</i>	No Limit
iii. Maximum combined <i>floor area</i> of all <i>accessory buildings</i> per lot, where lot area is $\leq 2000\text{m}^2$ (0.49 acres)	90.5m^2 (974.1ft ²) or 12% of lot area, whichever is lesser	90.5m^2 (974.1ft ²) or 12% of lot area, whichever is lesser	12% of lot area
iv. Maximum combined <i>floor area</i> of all <i>accessory buildings</i> per lot, where lot area is $>2000\text{m}^2$ (0.49 acres)	110.0m^2 (1184.0ft ²)	110.0m^2 (1184.0ft ²)	12% of lot area
v. Maximum <i>building height</i> of any <i>accessory building</i> on lot	4.5m (14.8ft) or <i>building height</i> of highest <i>main building</i> , whichever is lesser	4.5m (14.8ft) or <i>building height</i> of highest <i>main building</i> , whichever is lesser	No Limit
vi. <i>Setback</i> from all lot lines where <i>accessory building</i> is $\leq 13.4\text{m}^2$ (144.0ft ²) in <i>floor area</i> and $\leq 2.5\text{m}$ (8.2ft) in height	0.9m (3.0ft)	0.9m (3.0ft)	1.5m (4.9ft)
vii. <i>Setback</i> from all lot lines for all other <i>accessory buildings</i>	1.5m (4.9ft) or $\frac{1}{2}$ <i>accessory building height</i> , whichever is the greater	1.5m (4.9ft) or $\frac{1}{2}$ <i>accessory building height</i> , whichever is the greater	3.0m (9.8ft) or $\frac{1}{2}$ <i>accessory building height</i> , whichever is the greater

x. Allowed to be erected or placed in the <i>front yard</i>	No, except where a lot has a shoreline or <i>watercourse</i> as one (1) of its boundaries	No, except where a lot has a shoreline or <i>watercourse</i> as one (1) of its boundaries	Yes

Table 7: Use Zone Development Standards for Accessory Buildings

(f) A proposed *accessory building* that does not meet the requirements under (e), and despite said requirements, may be considered and approved by *Council* as a *discretionary use* in accordance with subsection A.2.2.8, thereby requiring public notice (see subsection A.2.2.12).

C.2 SIGNAGE

C.2.1 GENERAL DEVELOPMENT STANDARDS

- (a) Unless specifically exempted in these *Regulations*:
 - i. A *development permit* is required for *sign installation*; and
 - ii. In accordance with subsection E.1.5, the *sign* must be listed as a *permitted* or *discretionary use* under subsection E.2.
- (b) In accordance with subsection A.2.1.3, the *Delegated Employee* or *Council* may require a stamped drawing prepared by a *professional engineer* for a proposed *sign* where there is concern about structural stability, wiring, or any other issue that may need to be assessed in order to ensure the *sign* is safe and secure.
- (c) Standards in these *Regulations* regarding signage are not intended to be retroactive and incumbent upon existing *signs*.
- (d) Where a *sign* meets multiple definitions under 'Appendix B: Definitions', all applicable provisions of these *Regulations* apply.

C.2.2 USE ZONE DEVELOPMENT STANDARDS

C.2.2.1 Maximum Number of Signs and Areas

- (a) A maximum of three (3) *signs* per *lot* is permitted in the CD and R *use zones*. The main *sign* shall not exceed 1.1m² (12ft²) in *sign area*, where each *sign* thereafter shall not exceed 0.6m² (6ft²).
- (b) A maximum of one (1) *facial wall sign* in conjunction with a *home business* in the RES *use zone*. This *sign* shall not exceed 0.6m² (6ft²) in *sign area*.
- (c) A maximum of one (1) *facial wall sign* in conjunction with a *main institutional use*; or *boarding house*, *dormitory/residence*, *personal care home – residential*, or *multi-unit dwelling* in the RES *use zone*. This *sign* shall not exceed 1.1m² (12ft²) in *sign area*.
- (d) A maximum of one (1) *ground sign* in conjunction with a *main institutional use*; or *boarding house*, *dormitory/residence*, *personal care home – residential*, or *multi-unit dwelling* in the RES *use zone*. This *sign* shall not exceed 1.1m² (12ft²) in *sign area*.
- (e) In all other *use zones*, any number of *signs* is permitted on a *lot*.

C.2.2.2 Sign Types

- (a) A *billboard sign* shall not exceed 15.0m (49.2ft) in height and 24.0m² (258.3ft²) in *sign area*.

(b) A *ground sign* shall not exceed 10.0m (32.8ft) in height or 12.0m² (129.2ft²) in *sign area*.

(c) An *electronic message board sign* shall:

- i. Despite subsection C.2.2.1, not exceed one (1) per *lot*;
- ii. Despite subsection C.2.2.1, not exceed 8.0m² (86.1ft²) in *sign area*;
- iii. Not scroll or flash any portion of any message(s) displayed;
- iv. Have the instantaneous transition of static messages;
- v. Have a message duration of not less than 20 seconds;
- vi. Not be installed within 25.0m (82.0ft) of an RES *use zone* boundary or the *main building* of an existing *residential use*;
- vii. Not exceed a brightness level of 3.23 lux above ambient light conditions measured at a distance determined by the square root of the *sign area* multiplied by 100;
- viii. Use dimming technology that automatically adjusts the brightness of the *sign* in direct correlation with ambient light conditions;
- ix. Be turned off in the case of malfunction;
- x. Be turned off between the hours of 11:00 p.m. and 7:00 a.m.; and
- xi. Pursuant to subsections A.2.1.6 and A.2.2.7, only be approved with the condition that the *land owner* acknowledges and agrees that the *sign* is capable of meeting the required operational provisions outlined in these *Regulations*.

C.2.3 EXEMPTIONS

(a) Despite subsection C.2.1 (a), and subject to all other provisions in these *Regulations*, *canopy, facial wall, portable, projecting, roof, and sandwich board signs* that do not meet any other *sign* definition under 'Appendix B: Definitions' do not require a *development permit*.

(b) Despite subsection C.2.1 (a), and subject to all other provisions in these *Regulations*, the following *signs* do not require a *development permit* and are not included in the total number of *signs* or total *sign area* permitted per *lot* as regulated under subsection C.2.2.1:

- i. A memorial or historical plaque or tablet;
- ii. A flag of any governmental, religious, charitable, or fraternal organization;
- iii. A nameplate not exceeding 0.2m² (2.2ft²) in *sign area* on a *dwelling*, or within the courtyard of a *dwelling*;

- iv. A nameplate not exceeding 0.2m² (2.2ft²) in *sign area* relating to the practice of a professional person carried on in the premises on a *dwelling* or within the courtyard of a *dwelling*;
 - v. A notice board not exceeding 1.0m² (10.1ft²) in *sign area* and relating to a *place of worship, educational use, library, cultural establishment, or cemetery* located on the *lot*;
 - vi. A notice board not exceeding 1.0m² (10.1ft²) in *sign area* relating to a *use* in the *resource extraction or agricultural use groups*;
 - vii. A *sign* that does not exceed 0.4m² (4.3ft²) in *sign area*;
 - viii. Up to two (2) real-estate signs per *lot*, each not exceeding 3.0m² (32.3ft²) in *sign area*;
 - ix. A *sign* that does not exceed 1.1m² (12ft²) in *sign area* and that regulates or denotes the direction or function of various parts of *buildings* or premises including *parking facilities*;
 - x. A warning or caution sign that does not exceed 1.1m² (12ft²) in *sign area* which pertains to site safety;
 - xi. A *sign* that does not exceed 4.6m² (49.5ft²) in *sign area* that is incidental to construction.
 - xii. A *sign* constructed or placed under the direction of a governmental body including *signs* for identification, public information, or regulating traffic control;
 - xiii. A *sign* formed by landscaping design;
 - xiv. An election *sign* that does not exceed 3.0m² (32.3ft²) in *sign area*, and any such *sign* shall be removed within seven (7) days following the date of the election;
 - xv. A maximum of two (2) *signs*, each not exceeding 28.0m² (301.4ft²) in *sign area* and 6.1m (20.0ft) in height, installed for promotional purposes on the associated *lot* for which there is a proposed *subdivision* or other *development*;
 - xvi. A temporary *sign* constructed or placed under the direction of an official employment union, which shall be removed within two (2) months of *sign installation*; and
 - xvii. A temporary *sign* to advertise festivals, sporting, special and community events, which shall be removed within seven (7) days after the closing of the event.
- (c) Despite any provision in these *Regulations*, the *development* standards and *development permit* requirements for *signs* under these *Regulations* shall not apply where a permit is required from Service NL under the provincial *Highway Sign Regulations, 1999, 85/99*.¹

1 If an exclusion is obtained from the Minister in accordance with *proposal B.2.13.3 (5) of the Plan*, *Council* must amend the *Plan* and *Regulations* in order to apply the *Town's* signage provisions to the current area of provincial jurisdiction as outlined in the *Highway Sign Regulations, 1999*.

(d) Further to (c), and despite any provision in these *Regulations*, an *electronic message sign*, *billboard sign*, and *off-site sign* are strictly prohibited within the provincial area of jurisdiction, where the *Highway Sign Regulations, 1999, 85/99* remain in force and effect.

(e) A *development permit* is not required for a *sign re-facing*.

C.2.4 PROHIBITIONS

Despite any other provision in these *Regulations*, no *sign* shall:

(a) Except for *facial wall signs* and exempted *signs* under subsections C.2.3 (b) (ii), (ix), (x), (xii), and (xiii), be installed closer than 1.5m (4.9ft) from any *lot line* and in accordance with the *street line setback* as provided for in the following illustration:

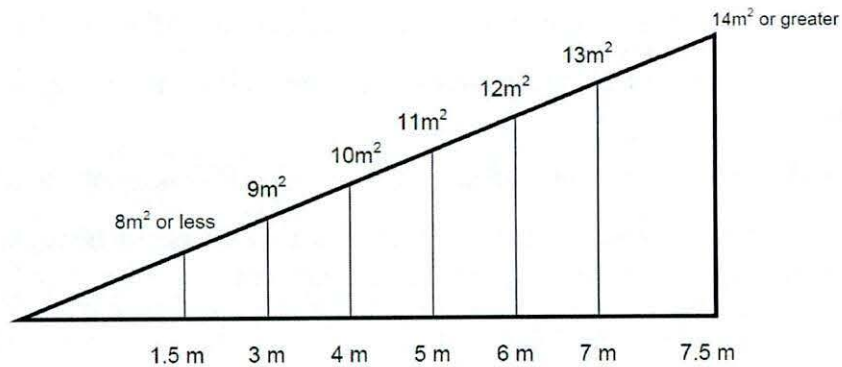

Illustration 1: Street Line Setback for Signs

(b) Exceed 24m² (258ft²) in *sign area*;

(c) Be installed in a *daylighting triangle*;

(d) Be located or kept on a *lot* unless such *sign* is properly maintained including, but not limited to the *sign's* face, supports, electrical system, or anchorage;

(e) Be mounted on a *vehicle* which is placed for the purpose of advertising;

(f) Be attached to any publicly owned *structure*, *utility* pole, hydrant, traffic control device, bridge, *fence*, barrier, or any other surface on public property, excepting *signs* under direction of a governmental body;

(g) Be part of a series of two (2) or more *signs* in sequence, each carrying a part of a single advertising message;

(h) Project over *lot lines*;

- (i) Obstruct pedestrian traffic along any publicly owned land such as a sidewalk or *street*, fire lane, or *queueing space*;
- (j) Create a hazard to public safety or health;
- (k) Obstruct the vision of a driver leaving a roadway or driveway, or detract from the visibility or effectiveness of any traffic *sign* or control device on a *street*;
- (l) Displace required amenity areas including *parking facilities* and *loading spaces* as provided for in these *Regulations*;
- (m) Obstruct free ingress or egress from a fire escape, window, door, or other required exit;
- (n) Except a traffic control *sign* installed by a governmental body, use words such as 'stop', 'look', 'danger', 'one way', 'yield', or any other similar words, phrases, symbols, lights, or characters used in a manner that may mislead, confuse, or otherwise interfere with traffic;
- (o) Incorporate a searchlight;
- (p) Emit sound; or
- (q) Be painted on or attached to a tree, stone, cliff or other natural object.

C.2.5 DISCRETIONARY APPROVAL

- (a) Despite any other provision in these *Regulations*, a proposed *sign* that does not meet the required minimum *setback(s)*, maximum height, maximum *sign area*, or maximum number per *lot* may be considered and approved by *Council* similar to a *discretionary use* under subsection A.2.2.8, thereby requiring public notice (see subsection A.2.2.12).
- (b) The despite provision under (a) does not apply to *sign use* types listed under the *use zone tables* of subsection E.2.

C.3 HOME BUSINESSES AND INDUSTRIES

General

- (a) A *home business* or *home industry* shall be subordinate and incidental to a *main residential use* and shall not alter the residential character of the *lot*.
- (b) No more than one (1) *home business* or *home industry* is allowed per *lot*.
- (c) No structural alterations shall be made to the *dwelling unit* conducting a *home business* or *home industry* that would jeopardize future *use* of the *building* exclusively as a *dwelling*.
- (d) Traffic generated by a *home business* or *home industry* shall be consistent with the residential character of the neighbourhood.

- (e) No goods or services other than those directly pertaining to a *home business* or *home industry* shall be supplied or sold therein or therefrom.
- (f) A *home business* or *home industry* shall not generate off-site electrical interference, dust, noise, or smoke.
- (g) Any additional parking required for a *home business* or *home industry* must be accommodated on the *lot* upon which the enterprise is being conducted.
- (h) Any *signs* shall be erected in conformance with subsection C.2 and the *use zone tables* under subsection E.2.

Home Businesses

- (i) A *home business* may be conducted within a *dwelling unit*, *accessory buildings*, or combination thereof.
- (j) The combined *floor area* of the *building(s)* in which a *home business* is conducted shall not exceed 25% of the *floor area* of the associated *dwelling unit* or 45.0m² (484.4ft²), whichever is the lesser.
- (k) Despite (j), a proposed *home business* that exceeds the maximum permitted *floor area* may be considered and approved by *Council* similar to a *discretionary use* under subsection A.2.2.8, thereby requiring public notice (see subsection A.2.2.12).
- (l) There shall be no external or outside storage of materials or containers associated with a *home business* to indicate that any part of the *lot* is being used for any other *use* than *residential use*.
- (m) A maximum of one (1) *commercial vehicle*, not in excess of one (1) ton capacity, is allowed to park on the *lot* upon which the *home business* is being conducted.
- (n) A *home business* is limited to the following uses:
 - i. *Bed and breakfast / tourist home*;
 - ii. *Catering service*;
 - iii. *Family child care service*;
 - iv. *Instructional use*;
 - v. *Office*;
 - vi. *Personal service shop – apparel*;
 - vii. *Personal service shop – appearance*;
 - viii. *Pet care services*;
 - ix. *Craft workshop*;

- x. *Printing centre*; and
- xi. *Retail store*.

Home Industries

- (o) Except for an *office* in association with the enterprise, a *home industry* shall be conducted within *accessory buildings*, an attached garage, or combination thereof.
- (p) A *home industry* is limited to the following *uses*:
 - i. *Automotive service establishment – small*;
 - ii. *Equipment sales and rental – light*;
 - iii. *Service and repair – household*;
 - iv. *Service and repair – small engine repair*; and
 - v. *Equipment storage (warehouse / indoor storage and outdoor storage) and servicing related to fishing and forestry uses*.

C.4 OUTDOOR FURNACES

Buffers

- (a) In addition to all other required *yards* and *setbacks* in these *Regulations*, an *outdoor furnace* shall not be located closer than 15.0m (49.2ft) to any *lot line* or *main building* of a *residential use*.
- (b) An *outdoor furnace* shall not be located closer than 3.0m (9.8ft) to any tree or non-habitable *structure*.

Construction Requirements

- (c) An *outdoor furnace* shall be supported by a non-combustible base or foundation to adequately support the weight of the appliance.
- (d) Despite the manufacturer's installation instructions, the base or foundation shall extend a minimum of 0.3m (1.0ft) beyond the appliance on all sides.
- (e) The top of the chimney for an *outdoor furnace* shall have a minimum height of 5.0m (16.4ft) and shall be equipped with a spark arrestor and a rain cap.

C.5 PRIVATE WIND ENERGY SYSTEMS

- (a) Where permitted, a *private wind energy system* is subject to the following:

- i. Minimum *lot area* of 2000m² (0.49 acres);
 - ii. Maximum tower height of 45.0m (147.6ft);
 - iii. Maximum of one (1) turbine generator per *lot*;
 - iv. *Setback* of one and a half (1.5) times the height of the wind turbine generator, including the topmost reach of the rotor, from all *lot lines*;
 - v. Any climbing apparatus shall be a minimum height of 3.0m (9.8ft);
 - vi. The rotor clearance shall be a minimum of 4.5m (14.8ft) from *finished grade*;
 - vii. Except for an *accessory building, cottage, row house single dwelling, row house double dwelling, or any dwelling with two (2) or less DUs*, a system under 6.0m (19.7ft) may be mounted on or attached to another *building or structure* subject to the requirements of the *Building Code*;
 - viii. Anchor points for guy-wires shall be located on the *lot* upon which the system is located; and
 - ix. The *setback* for a guy-wire anchor is 3.0m (9.8ft) from any *lot line*.
- (b) In addition to the requirement of a *site plan*, the *Delegated Employee* or *Council* may require the following in accordance with subsection [A.2.1.3](#):
- i. Manufacturer's information regarding the type of turbine, height, rotor diameter, rated output, and Canadian Standards Association (CSA) certification; and
 - ii. Authorization documents from Transport Canada or Nav Canada where applicable.
- (c) Despite (a), a proposed *private wind energy system* that does not meet the requirements under (a) may be considered and approved by *Council* similar to a *discretionary use* under subsection [A.2.2.8](#), thereby requiring public notice (see subsection [A.2.2.12](#)).

C.6 VEHICLE BODIES

- (a) Except for a *mobile home dwelling*, no *vehicle* shall constitute a *dwelling unit*.
- (b) No *vehicle* shall be used primarily for storage on a *lot*.

C.7 PRIVATE GARAGES AND CARPORTS

Where a garage or carport is attached to or incorporated in a *dwelling*, it becomes part of the *building* for the purposes of applying minimum *lot coverage, yard, and setback* requirements, or any other requirement in these *Regulations* that may apply to a *building* addition.

C.8 SWIMMING POOLS

A swimming pool is a permitted use in all use zones, but shall not be located:

- (a) In the front yard of a lot in the RES or CD use zones; or
- (b) Under any electrical service wires.

C.9 COMMERCIAL VEHICLES IN RESIDENTIAL ZONES

In the RES use zone, only one (1) commercial motor vehicle may be parked on a lot appropriated for the dwelling wherein the operator of the vehicle resides, provided the vehicle does not contain cargo including hazardous or flammable materials and has a current and valid licence plate attached thereto.

C.10 SIDE YARDS FOR ROW HOUSE DWELLINGS

In any use zone where a row house single dwelling or row house double dwelling is allowed, and despite the side yard requirement of the respective use zone, a side yard of 0.0m is permitted for the party wall dividing dwelling units and associated ownership.

C.11 OFFENSIVE AND DANGEROUS USES

No building or land shall be used for any purpose which may be dangerous by causing or promoting fires or other hazards or which may emit noxious, offensive or dangerous fumes, smoke, gases, radiation, smells, ash, dust or grit, excessive noise or vibration, or create any nuisance that has an unpleasant effect on the senses unless its use is authorized by Council and any other authority having jurisdiction.

C.12 TEMPORARY REAL ESTATE OFFICES

Temporary real estate offices may be set up in new display homes within new subdivisions for a period of not more than 24 months.

C.13 TEMPORARY CONSTRUCTION USES

Nothing in these Regulations shall prevent the use of land or the use or erection of a temporary building or structure, or the temporary storage of materials and equipment, which is accessory to construction in progress provided that all other permits required by federal, provincial, or municipal authorities are attained and that the above-noted is removed within 14 days of completion of the work.

C.14 USES REQUIRING ACCESS TO THE OCEAN

- (a) Despite any *setback* or *yard* requirement from a *lot line* that follows the edge of an adjacent cliff of the ocean shoreline, *buildings* and *structures* associated with *uses* requiring access to the ocean can be erected or placed up to said *lot line*.
- (b) *Uses* requiring access to the ocean include:
- i. *Fishing*
 - ii. *Marina*;
 - iii. *Public utilities*;
 - iv. *Research and development*; and
 - v. *Transportation hub* (dock and port).
- (c) Any *development* adjacent to and requiring access to the ocean must meet all other governmental requirements, which include attaining any required permits and conforming to the provincial *DECC* guideline 'Chapter 14 Environmental Guidelines for Construction and Maintenance of Wharves, Breakwaters, Slipways and Boathouses' or changes thereto.
- (d) Any proposed *development* adjacent to and requiring access to the ocean shall be referred to the Water Resources Management Division in accordance with subsection B.30 (c).

C.15 PARKING AND STORAGE OF CAMPERS AND BOATS

Campers

- (a) No *camper* shall be used, leased or rented as a *dwelling unit*.
- (b) No *camper* shall be used for *seasonal residence*, unless it is within a designated *campground*.
- (c) Despite (b), a maximum of two (2) *campers* may be used as a *main use* for *seasonal residence* in the *R use zone*.
- (d) The long-term parking or placement of a *camper* for a continual period of ten (10) days or more is *prohibited* in all *use zones*, except in association with the following:
- i. A *lot* with two (2) or less *DUs*, wherein one (1) *camper* is permitted per *DU*;
 - ii. *Automotive establishment, service – large and small*;
 - iii. *Automotive establishment, dealership – seasonal*; and
 - iv. *Commercial, seasonal outdoor storage*.

Boats

- (e) The long-term placement of a *boat* for a continual period of ten (10) days or more is prohibited in all *use zones*, except in association with the following:
 - i. A *lot* with two (2) or less *DUs*, wherein one (1) *boat* is permitted per *DU*;
 - ii. *Automotive establishment, service – large and small*;
 - iii. *Automotive establishment, dealership – seasonal*;
 - iv. *Marina*;
 - v. *Fishing*;
 - vi. *Shipyards*; and
 - vii. Commercial, seasonal *outdoor storage*.

C.16 EARTH EXPLORATION

- (a) A *development permit* is required for *uses* in the *earth exploration use division* which constitute *development* under the *Act*, including, but not limited to, borehole drilling, trenching, and the clearing of associated *access trails*.

(Note: Exploration activities that do not constitute *development* under the *Act* cannot be regulated under the *Town’s Plan and Regulations*. These activities fall outside of the scope of *mineral exploration* and *petroleum exploration* as defined in these *Regulations*, and include, but are not limited to, prospecting, ground-based geophysical surveys, and geochemical sampling surveys.)

- (b) Additional governmental permits may be required for the various *uses* in the *earth exploration use division* including, but not limited to, *mineral exploration* (Mines Branch of the *DIET*) and *archaeological/historical research exploration* (Provincial Archaeology Office of the *DTCAR*).

C.17 MINERAL WORKINGS

- (a) The *applicant* of a *mineral working* shall submit a *site plan* in accordance with subsection B.1, which should adhere to the following *setbacks*.

Feature	Required Minimum Setback
i. CD or RES <i>use zone</i> boundary	300m (984ft)
ii. <i>Lot line</i> of a <i>lot</i> containing an existing <i>residential use</i> or <i>educational use</i> (primary or elementary school only)	300m (984ft)
iii. <i>Public street</i>	30.0m (98.74ft)
iv. <i>Watercourse</i> or ocean	50m (164ft)

Table 8: Required Setbacks for Mineral Workings

- (b) Where the setbacks in Table 8 cannot be achieved, the *mineral working* may be considered and approved by *Council* in the same manners as a *discretionary use* under subsection A.2.2.8, thereby requiring public notice (see subsection A.2.2.12).
- (c) A proposed *residential use* or *educational use* (primary and elementary school only) within 300m (984ft) of an existing *mineral working* may be considered and approved in the same manner as a *discretionary use* under subsection A.2.2.8, thereby requiring public notice (see subsection A.2.2.12).
- (d) In considering discretionary approval under subsections (b) or (c), or in allowing a reduced *setback*, *Council* shall consider the potential for adverse affects of the *mineral working development* on adjacent *uses* and/or natural features. Where satisfied that potential adverse effects will be mitigated, *Council* may approve the *development*.
- (e) In accordance with subsections A.2.1.6 and A.2.2.7, the *Delegated Employee* or *Council* may require the site to be screened (see subsection B.15) or fenced with controlled access for safety and security purposes.
- (f) Further to subsection (e) and in considering the imposition of *screening* and/or fencing as a condition, the *Delegated Employee* or *Council* shall take into consideration existing site conditions such as previously established *mineral working* activity and proposed work areas (i.e. *screening* and/or fencing may be applied to a portion of the site where work is proposed as opposed to the entire *mineral working lot*).
- (g) A *mineral working* shall not serve as a storage place or dump for toxic materials, scrap iron, domestic wastes, construction residues, or any other material likely to be harmful to the environment.
- (h) Despite subsection A.2.1.4 (m), a *development permit* for a *mineral working* shall be active for a period no longer than:
 - i. One (1) year where a quarry permit has been issued by the Mineral Lands Division of the *DIET*; or
 - ii. Five (5) years where a quarry lease has been issued by the Mineral Lands Division.
- (i) Following the expiration of a *development permit* for a *mineral working* under (h), and if not renewed by the *Delegated Employee* or *Council*, the land shall be restored as follows:
 - i. The plant, equipment, *buildings*, or *structures* installed on the site for excavation purposes shall be removed;
 - ii. All stockpiles, earth, sand, gravel, or other material shall be placed back in the excavation, spread out on the site, or removed from the site;
 - iii. The site must be levelled or sloped in such a manner that would allow less than 0.61m (2.0ft) of accumulated water;

- iv. All debris shall be removed from the site; and
 - v. Any additional site rehabilitation requirements stipulated by the Mineral Lands Division.
- (j) For any *development permit* issued under subsections [A.2.1.4](#) or [A.2.2.3](#), and where the extraction of *quarry materials* is occurring or may be expected to occur, the *Delegated Employee* or *Council* shall send a copy of said *development permit* to the Mineral Lands Division. (Note: See definition of *quarry materials* under 'Appendix B: Definitions.')

C.18 LIVESTOCK AND BACKYARD POULTRY COOPS

General Livestock Regulations

- (a) No new *development* for the housing of more than five (5) *livestock animal units* shall be within 300m (984ft) of an *RES use zone* boundary or a *lot line* of a *lot* containing an existing *residential use*. This includes the erection or placement of new *buildings* or *structures* or the re-use or re-purposing of existing *buildings* or *structures*.
- (b) Any proposed *residential use* shall have a *setback* of 300m (984ft) from an existing *development* housing more than five (5) *animal units*, or a *large scale agricultural use*.
- (c) The *setbacks* in (a) and (b) shall not apply to *residential uses* that are *accessory uses* to *agricultural uses* (e.g. farm houses, see [C.19](#)).
- (d) Any new *building* or *structure* for the housing of more than five (5) *animal units* shall have a *setback* of 45.0m (147.6ft) from any *lot line*.
- (e) Any new *development* for the housing of more than five (5) *animal units* shall be referred to Service NL and the Agrifoods Development Branch of the Forestry and Agrifoods Agency for review.

Backyard Poultry Coops

- (f) As defined in '[Appendix B: Definitions](#)', a *backyard poultry coop* means the keeping of up to four (4) hens or ducks in a *coop structure* as an *accessory use* to a *residential building(s)* on the same *lot*.
- (g) A *backyard poultry coop* shall have a *setback* of 10.0m (32.8ft) from any *lot line*.
- (h) Male chickens (roosters) are prohibited.
- (i) The on-site slaughter of animals is prohibited.

Discretionary Approval

- (j) Despite any required *setback* for or from an *agricultural use* in these *Regulations*, a proposed reduced *setback* for or from an *agricultural use* may be considered and approved by *Council* in

the same manners as a *discretionary use* under subsection [A.2.2.8](#), thereby requiring public notice (see subsection [A.2.2.12](#)).

- (k) In considering discretionary approval under (j), *Council* shall take into consideration any referral response from Service NL or the Agrifoods Development Branch of the Forestry and Agrifoods Agency.

C.19 FARM HOUSES

- (a) A maximum of one (1) *accessory use, dwelling* may be developed on the same *lot* containing any of the following *main agricultural uses*:
- i. *Abattoir*;
 - ii. *Commercial*;
 - iii. *Feed mill*; or
 - iv. *Research farm*.
- (b) The *accessory use, dwelling* under (a) shall be one (1) of the following *residential uses*:
- i. *Micro*;
 - ii. *Mini home*;
 - iii. *Mobile home*; or
 - iv. *Single unit*.

C.20 CAMPGROUNDS

- (a) In addition to any potential *site plan* requirements under subsection [B.1](#), the *applicant* shall show the following on a *site plan* for the review and approval of a *campground*:
- i. Location and dimensions of campsites;
 - ii. Types of campsites (e.g. unserviced for tents and/or serviced for *motor home vehicles* and *travel trailer vehicles*);
 - iii. Location and widths of internal *access lanes* and emergency fire *accesses*;
 - iv. Location of water stations for potable supply and/or fire emergency;
 - v. Location of washroom and/or changing facilities; and
 - vi. Phasing plan for the *campground*.
- (b) In accordance with subsections [A.2.1.6](#), [A.2.2.7](#), and [B.15](#) and as condition of approval, the *Delegated Employee* or *Council* may require the perimeter of the *campground*, or portions thereof, to be sufficiently screened or buffered from adjacent *uses, public streets* or designated 'future streets.'
- (c) In accordance with subsections [A.2.1.6](#) and [A.2.2.7](#) and as condition of approval, the *Delegated Employee* or *Council* may limit the total number of permitted campsites within the *campground*.

C.21 PUBLIC UTILITY REFERRALS

- (a) The *Delegated Employee* or *Council* shall refer any *development application* within or in proximity to a *public utility easement* to the respective *public utility* company to ensure the protection of said *easement*.
- (b) No *development* shall be permitted within the *easement* of the main transmission line. The *Delegated Employee* or *Council* shall forward any proposed *development* within proximity to the main transmission line to Newfoundland Power for review to ensure the protection of this *easement*.

Section D: Subdivision

D.1 DEVELOPMENT PERMIT

Development Permit Required

- (a) No land in the MPA shall be subdivided unless a *development permit* is first obtained from the *Delegated Employee* or *Council*.

Form of Application and Issue of Development Permit Subject to Considerations

- (b) The *Delegated Employee* or *Council* shall review a *development permit application* to subdivide land in accordance with subsections [A.2.1.2](#) and [A.2.2.2](#) and shall, in considering approval of the *subdivision*, take into account potential impacts of the proposed *development* on matters outlined in subsection [A.2.1.3](#) (a).
- (c) The *Delegated Employee* or *Council* may require any or all of the *site plan* requirements outlined under subsection [B.1](#) to be included on a tentative plan of *subdivision*.

Forwarding Subdivision Development Applications to Council

- (d) In accordance with subsection [A.2.2.15](#), the *Delegated Employee* shall forward a *subdivision development application* for the creation of a new *lot* that does not directly access or front onto a *public street*.
- (e) In accordance with subsection [A.2.2.16](#), the *Delegated Employee* shall forward a *subdivision development application* requiring the extension or creation of new *public streets* to *Council* for a decision.
- (f) In accordance with subsection [A.2.1.7](#), the *Delegated Employee* may forward any *subdivision development application* to *Council* for a decision.

D.2 COMPREHENSIVE OR COMPLEX SUBDIVISION DEVELOPMENTS

Proposals for the *subdivision* of land for comprehensive or complex *developments* including, but not limited to, *commercial, industrial, institutional, residential, or transportation uses* shall be required to provide information on:

- (a) The physical features of the site including *development* opportunities and constraints;
- (b) The layout of proposed *lots, blocks, and other parcels*;
- (c) The layout of existing and future *streets* and any proposed connections to and therefrom;
- (d) The proposed overall time frame and phases of the *subdivision development*;
- (e) Existing *accesses* or right-of-ways;
- (f) Existing *public utility* infrastructure and *easements*;
- (g) Provisions for *utilities* required for the *subdivision development*;
- (h) Proposed servicing including water, sanitary, and storm-water management;
- (i) The compatibility between the *subdivision* and surrounding *land uses*, both existing and future; and
- (j) Opportunities for *active transportation* connections to public spaces, *parks*, and trails to and from the proposed *subdivision development*.

D.3 SERVICES TO BE PROVIDED

No *development permit* shall be issued for the *development* of a *subdivision* unless provisions satisfactory to the *Delegated Employee* or *Council* have been made in the *application* for a supply of drinking water, a properly designed sewage disposal system, and a properly designed storm drainage system.

D.4 PAYMENT OF SERVICE LEVIES AND OTHER CHARGES

No *development permit* shall be issued for the *development* of a *subdivision* until agreement has been reached for the payment of all fees levied by the *Town* for connection to services, *public utilities*, and *streets* deemed necessary for the proper *development* of the *subdivision*; and all service levies and other charges imposed under subsection B.2.

D.5 DEVELOPMENT AGREEMENT

- a) As a condition of approval for new *developments* and in accordance with subsections A.2.1.6 and A.2.2.7, the *Delegated Employee* or *Council* may require a developer to enter into an agreement with the *Town*.
- b) Such agreements shall be negotiated between the developer and the *Delegated Employee* or *Council* for financing and *development* of services provided to the site.
- c) The agreement shall include specifications for water and sewer infrastructure, storm-water drainage, *streets*, sidewalks, *open space uses*, as well as school bus stops, and neighbourhood mailboxes, where required.

D.6 NEW LOTS, FRONTING ONTO A PUBLIC STREET AND ACCESS

- (a) Any *lot* created within the *MPA* must front onto and have direct *access* to a *public street*.
- (b) Despite (a), *Council* may approve a *subdivision development application* for the creation of a new *lot* that does not front onto and have direct *access* to a *public street* in accordance with subsections A.2.2.15.

D.7 LOT CREATION STANDARDS

The creation of a new *lot* shall be in accordance with the following table:

New Lot for Use Requiring Services	(a) Minimum Lot Area	(b) Minimum [Lot] Frontage	(c) Minimum Lot Streetage	(d) Minimum Lot Depth
I. Municipal water and on-site septic	i. 1400m ² (0.35 acres)	i. 8.0m (26.2ft)— <i>back lot</i> (see A.2.2.17 and D.15) ii. 12.0m (39.4ft)— on turning circle of cul-de-sac iii. 23.0m (75.5ft)— All other	i. 8.0m (26.2ft)— <i>back lot</i> (see A.2.2.17 and D.15) ii. 14.0m (45.9ft)— on turning circle of cul-de-sac (arc measurement) iii. 15.0m (49.2ft)— All other	i. 30.0m (98.4ft)
II. Well water and on-site septic	i. 1860m ² (0.46 acres)	i. 8.0m (26.2ft)— <i>back lot</i> (see A.2.2.17 and D.15) ii. 13.0m (42.7ft)— on turning circle of cul-de-sac iii. 30.0m (98.4ft)— All other	i. 8.0m (26.2ft)— <i>back lot</i> (see A.2.2.17 and D.15) ii. 15.0m (49.2ft)— on turning circle of cul-de-sac (arc measurement) iii. 18.0m (59.1ft)— All other	i. 35.0m (114.8ft)
III. No municipal or on-site services required for use	No minimum (see D.9.1 (a))			

Table 9: Lot Creation Standards

D.8 LAND FOR PUBLIC OPEN SPACE

- (a) Before a *development* commences, the developer shall, if required, dedicate to the *Town* (at no cost to the *Town*) an area of land equivalent to not more than 10% of the gross area of the *subdivision* for public open space, provided that:
- i. Where land is subdivided for any purpose other than *residential use*, the *Delegated Employee* or *Council* shall determine the percentage of land to be dedicated;
 - ii. If, in the opinion of the *Delegated Employee* or *Council*, no public open space is required, the land may be used for such other public use as the authority may determine;
 - iii. The location and suitability of any land dedicated under the provisions of this regulation shall be subject to the approval of the *Delegated Employee* or *Council*, but in any case, the

authority shall not accept land which, in its opinion, is incapable of *development* for any purpose;

- iv. The *Delegated Employee* or *Council* may accept from the developer, in lieu of such area or areas of land, the payment of a sum of money equal to the value of the land which would otherwise be required to be dedicated; and
 - v. Money received by the authority under iv. shall be reserved by the *Town* for the purpose of the acquisition or *development* of land for public open space or other public purpose.
- (b) Land dedicated for public *open space use* in accordance with this regulation shall be conveyed to the *Town* and may be sold or leased by the *Town* for the purposes of any *development* that conforms with the requirements of these *Regulations*; and the proceeds of any sale or other disposition of land shall be applied against the cost of acquisition or *development* of any other land for the purposes of public *open space use* or other public purposes.
- (c) The *Delegated Employee* or *Council* may require a strip of land to be reserved and remain undeveloped adjacent to a *waterway* or along an ocean shoreline; and this land may constitute the requirement of land for public *open space use* under (a).

D.9 SUBDIVISION DESIGN STANDARDS

D.9.1 GENERAL STANDARDS

No *development permit* shall be issued for the *development* of a *subdivision*, unless the design of the *subdivision* conforms to the following standards:

- (a) Land shall not be subdivided in such a manner as to prejudice the *development* of adjoining land (see also subsection B.32).
- (b) *Council* may require any existing natural, historical, or architectural feature or part thereof to be retained when a *subdivision* is developed.
- (c) The finished grade of *streets* shall not exceed 10%.
- (d) New *subdivisions* shall have *street* connections with an existing *public street* or *streets*.
- (e) All *street* intersections shall be constructed within five (5) degrees of a right angle, and this alignment shall be maintained for 30.0m (98.4ft) from the intersection.
- (f) No *street* intersection shall be closer than 60.0m (196.9ft) to any other *street* intersection.
- (g) No more than four (4) *streets* shall join at any *street* intersection.
- (h) No residential *street* block shall be longer than 490m (1608ft) in between *street* intersections.

- (i) *Streets in subdivisions with mainly residential uses shall be designed in accordance with the approved standards of Council; but in the absence of such standards, shall conform to the following minimum standards:*

Type of Street	Street Reservation	Pavement Surface Width	Sidewalk Width	Number of Sidewalks
<i>Collector</i>	20.0m (65.6ft)	15.0m (49.2ft)	1.5m (4.9ft)	Discretion of Council
<i>Local</i>	12.2m (40.0ft)	9.0m (29.5ft)		

Table 10: Minimum Standards for Streets in Subdivisions with Mainly Residential Uses

D.9.2 CUL-DE-SAC AND P-LOOP STREETS

- (a) In accordance with *policy B.2.4.2 (8) of the Plan*, new dead-end cul-de-sac and p-loop streets are discouraged by *Council*.
- (b) Where permitted by *Council*, the following design standards apply to dead-end cul-de-sac and p-loop streets:
- i. The maximum length of a dead-end cul-de-sac or p-loop street, with a single access in and out of the *development*, shall be 230m (755ft).
 - ii. The total length of a dead-end cul-de-sac or p-loop street under i. shall be measured from the nearest intersecting street to the longest extent of the cul-de-sac (end of turning circle) or p-loop street.
 - iii. Where the head of a cul-de-sac or end of a p-loop street is within 125m (410ft) of an existing public street, an emergency vehicle access with a minimum clear width of 6.0m (19.7ft) shall connect the end of the street with the nearest adjacent public street.
 - iv. The end of a cul-de-sac shall be provided with a turning circle with a minimum diameter of 30.0m (98.4ft).
 - v. No cul-de-sac or p-loop street shall be located so as to appear to terminate a collector street.
- (c) Where the long-term phasing of a subdivision street is proposed, a temporary cul-de-sac turning circle with a minimum diameter of 30.0m (98.4ft) shall be provided.
- (d) In accordance with subsections [A.2.1.6](#) and [A.2.2.7](#) and as a condition of a *development permit*, a temporary emergency vehicle access may be required where the long-term phasing of a subdivision development is proposed.

D.10 ENGINEER TO DESIGN WORKS AND CERTIFY CONSTRUCTION LAYOUT

- (a) Plans and specification for all water mains, hydrants, sanitary sewers, storm sewers and all appurtenances thereto and all *streets*, paving, curbs, gutters and catch basins and all other *utilities* deemed necessary by *Council* to service the area proposed to be developed or subdivided shall be designed and prepared by or approved by the *professional* engineer. Such designs and specifications shall, upon approval by *Council*, be incorporated in the plan of *subdivision*.
- (b) Upon approval by *Council* of the proposed *subdivision*, the *professional* engineer shall certify all work of construction layout preliminary to the construction of the works and thereupon the developer shall proceed to the construction and installation, at his or her own cost and in accordance with the approved designs and specifications and the construction layout certified by the *professional* engineer, of all such water mains, hydrants, sanitary sewers and all appurtenances and of all such *streets* and other works deemed necessary by *Council* to service the said area.

D.11 STREET WORKS MAY BE DEFERRED

- (a) The construction and installation of all curbs and gutters, catch basins, sidewalks and paving specified by *Council* may be deferred until a later stage of the work on the *development*.
- (b) Prior to approval, the developer shall deposit with *Council* an amount estimated by the *professional* engineer as sufficient to cover construction and installation costs.
- (c) In the later stage of the work of *development*, *Council* shall call for tenders for construction and installation of the works, and the amount so deposited by the developer under (b) shall be applied towards payment of the contract cost.
- (d) If the contract cost under (c) exceeds the deposit under (b), the developer shall pay to *Council* the amount of the excess.
- (e) If the contract cost under (c) is less than the deposit under (b), *Council* shall refund the amount by which the deposit exceeds the contract price.
- (f) Any amount so deposited with *Council* by the developer shall be placed in a separate savings account in a bank and all interest earned shall be credited to the developer.

D.12 TRANSFER OF STREETS AND UTILITIES TO THE TOWN

- (a) Where required by the terms of a *development* agreement, the developer shall, following the approval of the *subdivision* of land and upon request of *Council*, transfer to the *Town*, at no cost to the *Town*, and clear of all liens and encumbrances:

- i. All lands in the area proposed to be developed or subdivided which are approved and designated by *Council* for public uses as *streets*, or rights-of-way, or for other public use; and
 - ii. All services or public works including *streets*, water supply and distribution, sanitary and storm drainage systems installed in the *subdivision* that are normally owned and operated by *Council*.
- (b) Before *Council* shall accept the transfer of lands, services, or public works of any *subdivision*, the *professional* engineer shall, at the cost to the developer, test the *streets*, services, and public works installed in the *subdivision* and certify his or her satisfaction with their installation.
- (c) *Council* shall not provide maintenance for any *street*, service, or public work in any *subdivision* until such time as such *street*, service, or public work has been transferred to and accepted by *Council*.

D.13 RESTRICTION ON SALE OF LOTS

The developer shall not develop or dispose of any *lot* within a *subdivision* for the purposes of *development* and no *development permit* shall be issued until *Council* is satisfied that:

- (a) The *lot* can be served with satisfactory water supply and sewage disposal systems; and
- (b) Satisfactory *access* to a *public street* is provided for the *lots*.

D.14 SUBDIVISION LOT AREA AND NON-CONFORMANCE

- (a) No *lot* shall be reduced in *lot area*, either by the conveyance or alienation of any portion thereof or otherwise, so that any *building* or *structure* on such *lot* shall have a *lot coverage* that exceeds, or a *front yard*, *rear yard*, *side yard*, [*lot*] *frontage*, *lot streetage*, or *lot area* that is less than that permitted by these *Regulations* for the *use zone* in which such *lot* is located.
- (b) Where any part of a *lot* is required by these *Regulations* to be reserved as a *yard*, it shall continue to be so used regardless of any change in the ownership of the *lot* or any part thereof, and shall not be deemed to form part of an adjacent *lot* for the purpose of computing the *lot area* thereof available for *building* purposes.
- (c) The *Delegated Employee* or *Council* may issue a *development permit* for the increase in *lot area* of any undersized *lot*, despite that it may still have less than the minimum [*lot*] *frontage*, *lot streetage*, *depth*, or *area* required by these *Regulations*, provided that this increase does not further reduce an adjacent *lot* which may be below the standard set out in these *Regulations*.

D.15 BACK LOT CREATION STANDARDS

- (a) An *application* for the creation of a *back lot* and associated *development* shall be treated in the same manner as a *discretionary use* by *Council* in accordance with subsections [A.2.2.8](#) and [A.2.2.17](#), thereby requiring public notice (see subsection [A.2.2.12](#)).
- (b) No *back lot* shall be created for *development* purposes unless the following provisions are met:
- i. Despite the minimum *lot area* requirements under subsection [D.7](#) the minimum *lot area* requirements shall apply to the developable area of the *lot*, in addition to any *lot area* required for the *access strip*;
 - ii. The *back lot* shall have a minimum [*lot*] *frontage* and *lot streetage* of 8.0m (26.2ft);
 - iii. The *back lot* shall not be created adjacent to an existing *back lot*; and
 - iv. The *back lot* shall have permanent and direct access to a *public street*.
- (c) In issuing a *development permit* for the creation of a *back lot* for a proposed *development*, the following provisions shall apply:
- i. No *buildings* or *structures* shall be erected or placed on the *access strip*;
 - ii. A minimum of 6.0m (19.7ft) clear *driveway* width must be maintained along the *access strip*;
 - iii. The *driveway* must be designed to support the expected loads imposed by firefighting equipment and be surfaced with concrete, asphalt, or other material designed to permit accessibility under all climatic conditions;
 - iv. A minimum of 5.0m (16.4ft) overhead clearance must be maintained along the *access strip*, which includes, but is not limited to, the regular maintenance and cutting back of vegetation; and
 - v. The regular parking of *vehicles* shall occur on the developable portion of the *back lot* as not to impede the *access strip*.
- (d) *Council* may, in accordance with subsection [A.2.2.7](#), add the following as conditions to a *development permit* for the creation of a *back lot*:
- i. Screening (see subsection [B.15](#)) along one (1) or two (2) sides of the *access strip* to ensure privacy between adjacent *lots*;
 - ii. Additional provisions for site drainage due to an increase in impermeable surface; and/or
 - iii. Any other conditions required to minimize the impact of the proposed *development* on matters outlined in subsection [A.2.1.3](#) (a).
- (e) The *access strip* shall be established in accordance with the following table:

Access Strip	Requirement
i. Minimum length	25.0m (82.0ft)
ii. Maximum length	90.0m (295ft)
iii. Minimum width throughout entire length	8.0m (26.2ft)
iv. Minimum width where <i>screening</i> is required on one (1) side (see (d))	9.0m (29.5ft)
v. Minimum width where <i>screening</i> is required on two (2) sides (see (d))	10.0m (32.8ft)
vi. Maximum slope	12% grade

Table 11: Access Strip Requirements for Back Lots

D.16 SUBDIVISION ALONG PARTY WALL OF ROW HOUSE DWELLING

The *Delegated Employee* or *Council* may approve the *subdivision* of property along the party wall(s) of a *row house single dwelling* or *row house double dwelling* in accordance with the following:

- (a) Each *lot* shall have individual services including, but not limited to, *public utilities*, municipal water, on-site well and septic;
- (b) Each *lot* shall have individual *accesses* to a *public street*; and
- (c) Except for the minimum *side yard* requirement, as exempted under subsection C.10, all other *lot creation* and *lot development standards* are met under subsections D.7 and E.1.7, respectively.

D.17 UNSERVICED SUBDIVISION DEVELOPMENT

- (a) Unserviced *subdivision development* on a new *street* shall be prohibited in the CD, RES, and IND *use zones*.
- (b) The *Delegated Employee* or *Council* shall forward any proposal for an unserviced *subdivision development* on a new *street* to the provincial Water Resources Management Division for review.

E.1 INTERPRETATION OF USE ZONES

E.1.1 ZONING MAP

The *Zoning Map* ('Schedule A: Land Use Zones Map') divides the *Town* into *use zones* for which the regulatory provisions of this section apply.

E.1.2 USE ZONES NOT ON MAP

- (a) The *Zoning Map* may be amended to utilize any *use zone* in these *Regulations*, regardless of whether or not such *use zone* has previously appeared on the *Zoning Map*.
- (b) An amendment under (a) must be carried out in accordance with subsection [A.2.2.11](#).

E.1.3 USE ZONE BOUNDARIES

Where on the *Zoning Map* the boundary of a *use zone* is uncertain, the boundary shall follow the *Municipal Planning Area*, *street line*, *easement*, *right-of-way*, *trail*, *walkway*, nearest cliff edge adjacent to a *watercourse* or ocean shoreline, or outermost reach of a *watercourse* where no discernible cliff edge is present.

E.1.4 MULTIPLE USE ZONES ON ONE LOT

Where a *lot* falls within two (2) or more *use zones*, the provisions of each *use zone* shall apply to each applicable portion of the *lot* as if each zoned portion is a separate *lot*.

E.1.5 PERMITTED, DISCRETIONARY, AND PROHIBITED USES

- (a) Subject to these *Regulations*, *uses* that fall within the *permitted use* row (P) of the respective *use zone table* of subsection [E.2](#) shall be permitted in the respective *use zone*;

- (b) Subject to these *Regulations* (see subsection A.2.2.8) and at the discretion of *Council*, *uses* that fall within the *discretionary use* row (D) of the respective *use zone table* of subsection E.2 may be permitted in the respective *use zone*; and
- (c) *Uses* that fall within the *prohibited use* row (X) of the respective *use zone table* of subsection E.2 shall be explicitly prohibited in the respective *use zone*.

E.1.6 MULTIPLE USES ON ONE LOT

Where a *lot* contains more than one (1) *main use*, each *use* shall conform to the applicable provisions of the *Plan* and *Regulation*.

E.1.7 LOT DEVELOPMENT STANDARDS

No *main building* or *structure* may be placed, erected, or altered to become one (1) of the *main uses* on a *lot*, except in accordance with the criteria set out in the table under the 'Lot Development Standards' heading for each respective *use zone*.

Short title

1. These regulations may be cited as the *Development Regulations*.

Definitions

2. In these regulations,

- (a) "Act", unless the context indicate otherwise, means the *Urban and Rural Planning Act, 2000*;
- (b) "applicant" means a person who has applied to an authority for an approval or permit to carry out a development;
- (c) "authority" means a council, authorized administrator or regional authority; and
- (d) "development regulations" means these regulations and regulations and by-laws respecting development that have been enacted by the relevant authority.

Application

3. (1) These regulations shall be included in the development regulations of an authority and shall apply to all planning areas.

(2) Where there is a conflict between these regulations and development regulations or other regulations of an authority, these regulations shall apply.

(3) Where another Act of the province provides a right of appeal to the board, these regulations shall apply to that appeal.

Interpretation

4. (1) In development regulations and other regulations made with respect to a planning area the following terms shall have the meanings indicated in this section

- (a) "access" means a way used or intended to be used by vehicles, pedestrians or animals in order to go from a street to adjacent or nearby land or to go from that land to the street;
- (b) "accessory building" includes
 - (i) a detached subordinate building not used as a dwelling, located on the same lot as

the main building to which it is an accessory and which has a use that is customarily incidental or complementary to the main use of the building or land,

(ii) for residential uses, domestic garages, carports, ramps, sheds, swimming pools, greenhouses, cold frames, fuel sheds, vegetables storage cellars, shelters for domestic pets or radio and television antennae,

(iii) for commercial uses, workshops or garages, and

(iv) for industrial uses, garages, offices, raised ramps and docks;

(c) "accessory use" means a use that is subsidiary to a permitted or discretionary use and that is customarily expected to occur with the permitted or discretionary use;

(d) "building height" means the vertical distance, measured in metres from the established grade to the

(i) highest point of the roof surface of a flat roof,

(ii) deck line of a mansard roof, and

(iii) mean height level between the eave and the ridge of a gable, hip or gambrel roof,

and in any case, a building height shall not include mechanical structure, smokestacks, steeples and purely ornamental structures above a roof;

(e) "building line" means a line established by an authority that runs parallel to a street line and is set at the closest point to a street that a building may be placed;

(f) "discretionary use" means a use that is listed within the discretionary use classes established in the use zone tables of an authority's development regulations;

(g) "established grade" means,

(i) where used in reference to a building, the average elevation of the finished surface of the ground where it meets the exterior or the front of that building exclusive of any artificial embankment or entrenchment, or

(ii) where used in reference to a structure that is not a building, the average elevation of the finished grade of the ground immediately surrounding the structure, exclusive of any artificial embankment or entrenchment;

(h) "floor area" means the total area of all floors in a building measured to the outside face of exterior walls;

(i) "frontage" means the horizontal distance between side lot lines measured at the building line;

(j) "lot" means a plot, tract or parcel of land which can be considered as a unit of land for a particular use or building;

- (k) "lot area" means the total horizontal area within the lines of the lot;
- (l) "lot coverage" means the combined area of all building on a lot measured at the level of the lowest floor above the established grade and expressed as a percentage of the total area of the lot;
- (m) "non-conforming use" means a legally existing use that is not listed as a permitted or discretionary use for the use zone in which it is located or which does not meet the development standards for that use zone;
- (n) "owner" means a person or an organization of persons owning or having the legal right to use the land under consideration;
- (o) "permitted use" means a use that is listed within the permitted use classes set out in the use zone tables of an authority's development regulations;
- (p) "prohibited use" means a use that is not listed in a use zone within the permitted use classes or discretionary use classes or a use that an authority specifies as not permitted within a use zone;
- (q) "sign" means a word, letter, model, placard, board, device or representation, whether illuminated or not, in the nature of or employed wholly or in part for the purpose of advertisement, announcement or direction and excludes those things employed wholly as a memorial, advertisements of local government, utilities and boarding or similar structures used for the display of advertisements;
- (r) "rear yard depth" means the distance between the rear lot line and the rear wall of the main building on a lot;
- (s) "side yard depth" means the distance between the side lot line and the nearest side wall of a building on the lot;
- (t) "street" means a street, road, highway or other way designed for the passage of vehicles and pedestrians and which is accessible by fire department and other emergency vehicles;
- (u) "street line" means the edge of a street reservation as defined by the authority having jurisdiction;
- (v) "use" means a building or activity situated on a lot or a development permitted on a lot;
- (w) "use zone" or "zone" means an area of land including buildings and water designated on the zoning map to which the uses, standards and conditions of a particular use zone table apply;
- (x) "variance" means a departure, to a maximum of 10% from the yard, area, lot coverage, setback, size, height, frontage or any other numeric requirement of the applicable Use Zone Table of the authority's regulations; and
- (y) "zoning map" means the map or maps attached to and forming a part of the authority's regulations.

(2) An authority may, in its discretion, determine the uses that may or may not be developed in a use zone and those uses shall be listed in the authority's regulations as discretionary, permitted or prohibited uses for that area.

Notice of right to appeal

5. Where an authority makes a decision that may be appealed under section 42 of the Act, that authority shall, in writing, at the time of making that decision, notify the person to whom the decision applies of the

- (a) person's right to appeal the decision to the board;
- (b) time by which an appeal is to be made;
- (c) right of other interested persons to appeal the decision; and
- (d) manner of making an appeal and the address for the filing of the appeal.

Appeal requirements

6. (1) The secretary of the board at the Department of Municipal and Provincial Affairs, Main Floor, Confederation Building (West Block), P.O. Box 8700, St. John's, Nfld., A1B 4J6 is the secretary to all boards in the province and an appeal filed with that secretary within the time period referred to in subsection 42(4) of the Act shall be considered to have been filed with the appropriate board.

(2) Notwithstanding subsection (1), where the City of Corner Brook, City of Mount Pearl or City of St. John's appoints an appeal board under subsection 40(2) of the Act, an appeal shall be filed with the secretary of that appointed board.

(3) The fee required under section 44 of the Act shall be paid to the board that hears the decision being appealed by filing it with the secretary referred to in subsection (1) or (2) within the 14 days referred to in subsection 42(4) of the Act.

(4) The board that hears the decision being appealed shall, subject to subsection 44(3) of the Act, retain the fee paid to the board.

(5) Where an appeal of a decision and the required fee is not received by a board in accordance with this section and Part VI of the Act, the right to appeal that decision shall be considered to have been forfeited.

Appeal registration

7. (1) Upon receipt of an appeal and fee as required under the Act and these regulations, the secretary of the board as referred to in subsections 6(1) and (2), shall immediately register the appeal.

(2) Where an appeal has been registered the secretary of the board shall notify the appropriate authority of the appeal and shall provide to the authority a copy of the appeal and the documentation related to the appeal.

(3) Where an authority has been notified of an appeal that authority shall forward to the appropriate board a copy of the application being appealed, all correspondence, council minutes, plans and other relevant information relating to the appeal including the names and addresses of the applicant and other interested persons of whom the authority has knowledge.

(4) Upon receipt of the information under subsection (3), the secretary of the board shall publish in a newspaper circulated in the area of the appropriate authority, a notice that the appeal has been registered.

(5) A notice published under subsection (4) shall be published not fewer than 2 weeks before the date upon which the appeal is to be heard by the board.

Development prohibited

8. (1) Immediately upon notice of the registration of an appeal the appropriate authority shall ensure that any development upon the property that is the subject of the appeal ceases.

(2) Sections 102 and 104 of the Act apply to an authority acting under subsection (1).

(3) Upon receipt of a notification of the registration of an appeal with respect to an order under section 102 of the Act, an authority shall not carry out work related to the matter being appealed.

Hearing notice and meetings

9. (1) A board shall notify the appellant, applicant, authority and other persons affected by the subject of an appeal of the date, time and place for the appeal not fewer than 7 days before the date scheduled for the hearing of the appeal.

(2) A board may meet as often as is necessary to conduct its work in an expeditious manner.

Hearing of evidence

10. (1) A board shall meet at a place within the area under its jurisdiction and the appellant and other persons notified under subsection 9(1) or their representative may appear before the board and make representations with respect to the matter being appealed.

(2) A board shall hear an appeal in accordance with section 43 of the Act and these regulations.

(3) A written report submitted under subsection 43(2) of the Act respecting a visit to and viewing of a property shall be considered to have been provided in the same manner as evidence directly provided at the hearing of the board.

(4) In the conduct of an appeal hearing, the board is not bound by the rules of evidence.

Board decision

11. A decision of the board must comply with the plan, scheme or development regulations that apply to the matter that has been appealed to that board.

Variances

12. (1) Where an approval or permit cannot be given by an authority because a proposed development does not comply with development standards set out in development regulations, an authority may, in its discretion, vary the applicable development standards to a maximum of 10% if, in the authority's opinion, compliance with the development standards would prejudice the proper development of the land, building or structure in question or would be contrary to public interest.

(2) An authority shall not allow a variance from development standards set out in development regulations if that variance, when considered together with other variances made or to be made with respect to the same land, building or structure, would have a cumulative effect that is greater than a 10% variance even though the individual variances are separately no more than 10%.

(3) An authority shall not permit a variance from development standards where the proposed development would increase the non conformity of an existing development.

Notice of variance

13. Where an authority is to consider a proposed variance, that authority shall give written notice of the proposed variance from development standards to all persons whose land is in the immediate vicinity of the land that is the subject of the variance.

Residential non conformity

14. A residential building or structure referred to in paragraph 108(3)(g) of the Act must, where being repaired or rebuilt, be repaired or rebuilt in accordance with the plan and development regulations applicable to that building or structure.

Notice and hearings on change of use

15. Where considering a non conforming building, structure or development under paragraph 108(3)(d) of the Act and before making a decision to vary an existing use of that non-conforming building, structure or development, an authority, at the applicant's expense, shall publish a notice in a newspaper circulating in the area or by other means give public notice of an application to vary the existing use of a non-conforming building, structure or development and shall consider any representations or submissions received in response to that advertisement.

Non-conformance with standards

16. Where a building, structure or development does not meet the development standards included in development regulations, the building, structure or development shall not be expanded if the expansion would increase the non-conformity and an expansion must comply with the development standards applicable to that building, structure or development.

Discontinuance of non-conforming use

17. An authority may make development regulations providing for a greater period of time than is provided under subsection 108(2) of the Act with respect to the time by which a discontinued non-conforming use may resume operation.

Delegation of powers

18. An authority shall, where designating employees to whom a power is to be delegated under subsection 109(3) of the Act, make that designation in writing.

Commencement

19. These regulations shall be considered to have come into force on January 1, 2001.

Appendix B: Definitions

APP. B.1 UNDEFINED TERMS

Where a term used is undefined, please refer to the following in order of precedence:

- 1) The Act;
- 2) Other Newfoundland and Labrador Act or Regulation most relevant to the term in question;
- 3) Black's Law Dictionary (current edition); or
- 4) Canadian Oxford Dictionary (current edition).

APP. B.2 TERMS IN THE MINISTER'S DEVELOPMENT REGULATIONS

Terms labelled with the official provincial logo () are required to be included in the *Regulations* pursuant to subsection 4. (1) of the Minister's *Development Regulations*, NLR 3/01 (the *MDR*). Explanations or directions in square brackets are for user convenience only and do not form a part of these definitions. Where there is conflict between the *Plan* and *Regulations*, and the *MDR*, the latter shall prevail.

APP. B.3 DEFINED TERMS

APP. B.3.1 ILLUSTRATIONS

Diagrams are for illustrative purposes only. Where there is conflict between a diagram and an associated text definition, the latter shall prevail.

APP. B.3.2 ITALICS

For user convenience, the following definitions in [App. B.3.3](#) are italicized throughout this *Plan*. The associated definition may still apply if said definition is not italicized.

APP. B.3.3 DEFINITIONS

ACCESS STRIP means the narrow portion of a *back lot* which provides *access* to the developable portion of the *lot*. Where a *back lot* is shaped like a flag, this would represent the narrow pole portion of the *lot*.

ACCESSORY BUILDING includes:

- a) a detached subordinate *building* not used as a *dwelling*, located on the same *lot* as the *main building* to which it is an accessory and which has a *use* that is customarily incidental or complementary to the *main use* of the *building* or land
- b) for *residential uses*, domestic garages, carports, ramps, sheds, *swimming pools*, greenhouses, cold frames, fuel sheds, vegetables storage cellars, shelters for domestic pets or radio and television antennae
- c) for *commercial uses*, workshops or garages, and
- d) for *industrial uses*, garages, *offices*, raised ramps and docks.

ACCESSORY USE means a *use* that is subsidiary to a *permitted* or *discretionary use* and that is customarily expected to occur with the *permitted* or *discretionary use*.

ACT means the *Urban and Rural Planning Act, 2000*, SNL 2000, c U-8.

ACTIVE TRANSPORTATION refers to all human powered forms of transportation, in particular walking and cycling. It includes the use of mobility aids such as wheelchairs, and can also encompass other active transport variations such as in-line skating, skateboarding, cross-country skiing, and kayaking.

ADMINISTRATIVE REQUEST means a request for information wherein a decision is not rendered by the *Delegated Employee* or *Council*. See also *application*.

ADULT ESTABLISHMENT means any premises or part thereof where goods, entertainment, or services are designed to appeal to erotic or sexual appetites. *Adult establishment* is a *use division* under the commercial *use group* (see '[Appendix C: Use Category Table](#)').

ADULT ESTABLISHMENT, **CABARET** means a nightclub, bar, *restaurant*, or similar establishment that features live performances that are characterized by the exposure of *specified anatomical areas* or by *specified sexual activities*.

ADULT ESTABLISHMENT, **ESCORT SERVICE** means an establishment where escorts are provided for *specified sexual activities*.

ADULT ESTABLISHMENT, **MASSAGE PARLOUR** means an establishment where massage is administered to the human body for sexual pleasure and is characterized by the exposure of *specified anatomical areas* or by *specified sexual activities*.

ADULT ESTABLISHMENT, **RETAIL OUTLET** means a *building* or part thereof with the principal purpose to offer for sale or rent, either of the following:

- a) Books, magazines, or other printed matter; or photographs, films, or motion pictures displaying *specified anatomical areas* or *specified sexual activities*; or
- b) Instruments, devices, or paraphernalia that are designed for use in connection with *specified sexual activities*.

ADULT ESTABLISHMENT, **STUDIO** means an establishment where visual presentations are produced or processed that are characterized by an emphasis on the depiction or description of *specified anatomical areas* or *specified sexual activities*, which may include, but is not limited to, pictures, slides, audio and video recordings.

ADULT ESTABLISHMENT, **THEATRE** means a commercial establishment where films, motion pictures, or other photographic reproductions are shown which are characterized by an emphasis on the depiction of *specified anatomical areas* or *specified sexual activities*.

AGRICULTURAL USE means a *use* where land is used for raising field or *forestry* crops and/or grazing livestock and includes any agricultural *buildings* required for operation, maintenance, or storage; and may include the sale of produce grown on site. An *agricultural use* may also contain a *dwelling* as an *accessory use* in accordance with subsection C.19. *Agricultural uses* are listed in the 'Agricultural' *use group*—and where applicable, in *subsidiary use divisions*—in 'Appendix C: Use Category Table'.

AGRICULTURAL, **ABATTOIR** means a *use* where animals are slaughtered and may include packing, treating, storing, and sale of the product on the premises.

AGRICULTURAL, **BACKYARD POULTRY COOP** means the keeping of up to four (4) hens or ducks in a *coop structure* as an *accessory use* to a residential *building(s)* on the same *lot*. See subsection C.18.

AGRICULTURAL, **COMMERCIAL** means any concentrated form of *agricultural use* including, but is not limited to, such operations as poultry and hog farms, rabbit and fur farms, greenhouses, tree nurseries, and similar specialty *uses*.

AGRICULTURAL, **COMMUNITY GARDEN** means a piece of land, not exploited for *commercial uses*, that is cultivated by a group of people rather than a single family or individual.

AGRICULTURAL, **FEED MILL** means a *building* for the processing, blending, grinding, and mixing of grains, seeds, and concentrates for animals.

AGRICULTURAL, **HOBBY GARDEN** means a small garden 1000m² (0.25 acres) or less operated for pleasure or supplemental income rather than for primary income. This *use* is limited to the raising of field or *forestry* crops and excludes the raising of livestock.

AGRICULTURAL, **PERSONAL** means any *agricultural use* for personal benefit or gain, which includes, but is not limited to the keeping of livestock or raising of field or forestry crops. A *personal agricultural use* may be an *accessory use* to a *main residential use* on a lot. *Commercial agricultural use* is a separate use.

AGRICULTURAL, **RESEARCH FARM** means a *use* where scientific research, investigation, testing, or experimentation takes place inside or outside of *buildings* by a level of government in the field of agriculture and farming. This *use* may include a variety of *accessory uses* relating to the operation including professional and legal services; *laboratories*; food services; *printing centre*; meeting, conference, and training boardrooms; and other similar facilities.

ANIMAL SHELTER means a *use* that provides for the care and veterinary service of lost, abandoned, or neglected animals.

ANIMAL UNIT is an agricultural livestock measurement outlined in the 'The Environmental Farm Practices Guidelines for Livestock and Poultry Producers,' which is a policy guideline issued by the provincial Agrifoods Development Branch of the Forestry and Agrifoods Agency. *Animal unit* equivalents are outlined in '[Appendix D: Animal Unit Equivalents](#)'. Where there is conflict between the *Plan and Regulations*, and the Guidelines, the latter shall prevail.

APPEAL means a request made by a person or persons aggrieved of a decision made by the *Delegated Employee* or *Council* to overturn said decision. An *appeal* is heard by an *appeal board* given statutory authority under Part VI of the *Act*.

APPEAL BOARD means the applicable regional appeal board as established under the *Regional Appeal Boards Establishment Order*, CNLR 997/96.

APPLICANT means a person who has applied to the *Town* for an approval or permit to carry out a *development*.

APPLICATION means a formal request wherein an approval decision is sought from the *Delegated Employee* or *Council*. See also *approval in principle* and *administrative request*.

APPLICATION, **DEVELOPMENT** means an *application* seeking the approval/issuance of a *development permit* from the *Delegated Employee* or *Council*. A *development application* may occur in conjunction with other *applications*. See subsections [A.2.1.4](#) and [A.2.2.3](#).

APPLICATION, **DISCRETIONARY USE** means an *application* seeking *discretionary use* approval from *Council*. See subsection [A.2.2.8](#).

APPLICATION, **NON-CONFORMING USE** means an *application* seeking an approval from *Council* relating to an existing, legal *non-conforming use*. See subsection [A.2.2.10](#).

APPLICATION, **PLAN AMENDMENT** means an *application* seeking approval from *Council* to amend the *Plan*, or *Plan* and *Regulations*. See subsection [A.2.2.11](#).

APPLICATION, **REGULATIONS AMENDMENT** means an *application* seeking approval from *Council* to amend the *Regulations* only, without a proposed amendment to the *Plan*. See subsection [A.2.2.11](#).

APPLICATION, **VARIANCE** means an *application* for *variance* relief from the *Regulations*, wherein an approval is sought from *Council*. See subsection [A.2.2.9](#).

APPROVAL IN PRINCIPLE means an interim approval indicating the intent of the *Delegated Employee* or *Council* to approve, if submitted by the applicant, a formal *application* further to the original submission. See also *application* and *administrative request*.

AREA OF NATURAL, SCIENTIFIC, OR HISTORIC INTEREST means areas or features of land and/or water representing a significant geological, biological, and/or historical interest.

ASPHALT/AGGREGATE/CONCRETE PLANT means a *use* where the production of asphalt, aggregate, or concrete products take place and may include the stockpiling and storage of bulk materials and the storage and sale of finished products manufactured on the premises.

ASSEMBLY HALL means a *building* or part thereof used for the gathering of persons for civic, educational, political, religious, recreational, cultural, social, or other similar purposes. *Adult establishment uses* are separate *uses*.

ASSISTED LIVING FACILITY means a facility that provides supervision and medical assistance to residents and offers the coordination of services by outside healthcare providers and may include such *accessory uses* as medical *offices* or clinics, *personal service shops*, or a *retail store* and similar *uses* not exceeding 50.0m² (538.2ft²) each. *Personal care home uses* are separate *uses*.

AUCTION FACILITY means a *use* that provides for the auctioning and related temporary storage of large equipment, livestock, and *motor vehicles*.
