RE: Updates to Municipal Water, Sewer and Roads Master Construction Specifications

DATE: March 25, 2020

Please be advised that the Department of Municipal Affairs and Environment have updated the **Municipal Water, Sewer and Roads Master Construction Specifications,** and will continue to the enforcement of strict adherence to these specifications

The specification is currently available online at: https://mae.gov.nl.ca/capital_works/master_specifications.html

All municipalities are encouraged to remind their Consultants to follow these specifications unless preapproval by the Department has been given to follow another specification manual. If any Municipality and their Consultant would like to temporarily deviate from the specifications for a valid reason, their Municipal Affairs Regional Engineer **MUST** be informed in advance and approve of same to prevent any project delay or payment processing.

Municipalities requiring clarification are encouraged to contact their Regional Engineer:
