## **TOWN OF WABANA**

### **MUNICIPAL PLAN AMENDMENT No. 5, 2019**

#### **BACKGROUND**

The Town Council of Wabana wishes to amend its Municipal Plan. The proposed amendment seeks to make changes to the 1990 Municipal Plan's Future Land Use Map.

The Town Council received an application to rezone this land to accommodate residential use. The area in question was formerly occupied by a business which has now been discontinued for some time. To the west and to the south of the site is an established Residential Serviced designation; to the east is the Bell Island Seniors Complex which is in the Public and Institutional designation and this designation extends to the north of the site as well.

The proposed residential use of these buildings will be an asset to the Town and they will complement the existing neighbourhood and surrounding uses.

#### **PUBLIC CONSULTATION**

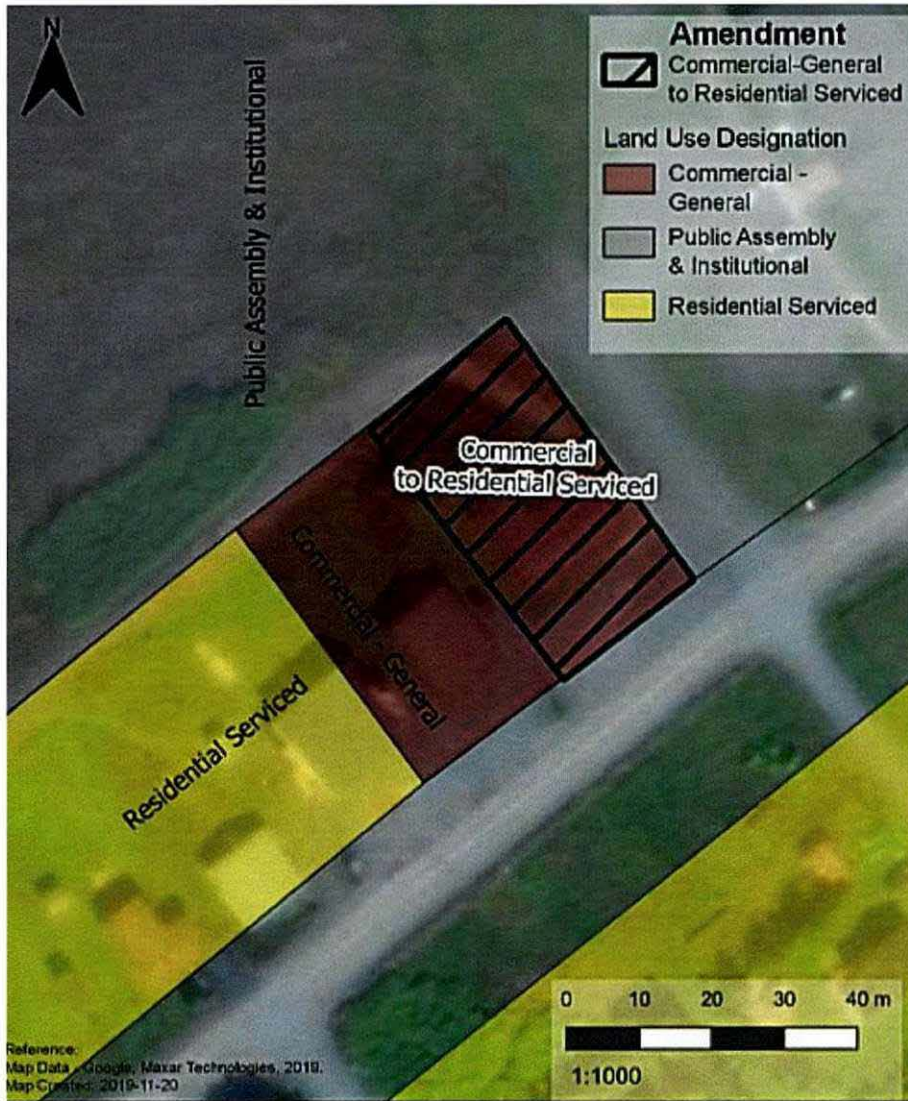

During the preparation of this proposed amendment, Council undertook the following initiatives so that individuals could provide input.

A Notice was then placed in the local newspaper, the Northeast Times, on July 15, 2019 to inform and to invite the public for input to the proposed changes. The last day for public input was August 5, 2019.

There were no submissions received by the Town Clerk.
