- Recommendations regarding the acquisition of Crown Land;
- A decision to enter into a contract, development agreement, or purchase or sale agreement;

It is required by law that all development related to the appeal must stop until an adjudicator makes a decision. According to Section 46 of the Urban and Rural Planning Act, 2000:

Development may not proceed

46. (1) Where an appeal is made under section 41, the development with respect to the appeal, work related to that development or an order that is under appeal shall not proceed or be carried out pending a decision of the adjudicator.

(2) Where, on appeal, a permit to develop is confirmed or ordered to be issued, a council, regional authority or authorized administrator shall issue the permit as confirmed or ordered.

Please take note of section 8 of the *Minister's Development Regulations, 2000 (pending consequential amendments to citation references)*, which states:

8. (1) Immediately upon notice of the registration of an appeal the appropriate authority shall ensure that any development upon the property that is the subject of the appeal ceases.

(2) Sections 102 and 104 of the Act apply to an authority acting under subsection (1).

(3) Upon receipt of a notification of the registration of an appeal with respect to an order under section 102 of the Act, an authority shall not carry out work related to the matter being appealed.

The development control Authority (the Municipal Council, or Government Service Centre of DGSNL) should ensure that this requirement is enforced and inform any other affected party.
