

## **If I Were as Pretty as Ashley**

By Jayde Eustace

If I were as pretty as Ashley,  
Life, it would be very sweet!  
I would strut down the hall  
In my miniskirt, small,  
And the boys would fall down at my  
feet!

If I were as pretty as Ashley,  
And I can assure you I'm not  
I'd get drunk every week,  
And stop being a geek,  
And then they would all say I was hot.

If I were as pretty as Ashley,  
The girls would be all full of spite.  
Because I'd steal their men,  
I'd use him and then  
Find a different one the next night.

If I were as pretty as Ashley,  
I would have men by the score.  
I'd cheat and abuse them,  
But I'd never lose them  
Because they'd keep coming for more!

If I were as pretty as Ashley  
No friend to the girls I would be.  
"Jezebel!" they would cry,  
But they'd secretly try  
Every day to become more like me.

If I were as pretty as Ashley,  
I'd never again use my brain.  
I would spend all my life  
As some guy's trophy wife,  
But I guess that's why God made me  
plain!
