

If That Girl

If that girl can wake up in the morning
And go to school like nothing happened

Last night.

If that girl can receive another failing mark

Because she is worried about

Something else.

If that girl can get through another recess

Without Food.

If that girl can sneak her way into the bathroom and

Cry.

If that girl can sustain consciousness with all her

Cuts.

If that girl can get her hands on those

Pills.

If that girl can only find a KNIFE

Sharp enough.

A cliff

High enough or a

Rope

Strong enough.

What will she do?

What will I do to myself?
