

The Rich Irishman

by Stephen Cole

There was a rich Irishman.
He wanted to get a pot of gold.
He was speaking what will I do with a pot of gold?
I will get a dog and a cat.
And a wife and two children named Johnny and Lisa.
I will give them anything they want.
I will buy my wife a box full of jewelry.
And me a sports car.
And I'll give half the money to my mom and dad.
And give some to charity.
And give animals a home.
