Re: Build Communities Strong Fund Direct Delivery Stream Intake

Date: Extended July 17, 2026

Housing, Infrastructure and Communities Canada (HICC) have extended the deadline for their Build Communities Strong Fund (BCSF) Direct Delivery Stream. HICC will now accept applications **from eligible applicants until July 20, 2026, 11:59 p.m. (PT), or until August 12, 2026, 11:59 p.m. (PT) for Indigenous applicants.** The program website is available at <https://housing-infrastructure.canada.ca/bcsf-fbcf/direct-delivery-prestation-directe/index-eng.html>

They indicate there will be no further extensions, and they encourage applicants to submit prior to the deadline.

Please note that the Municipal Infrastructure Division has nothing to do with the BCSF Direct Delivery stream and provides no cost shared funding in relation to it.

Please direct any questions you may have to the HICC program personnel.

Sincerely,

Kim Kieley, P. Eng., FEC
Director – Municipal Infrastructure
Transportation and Infrastructure
