Re: Call for Applications – Deadline reminder

Date: October 14, 2026

This Circular is a **final** reminder that the deadline for applications to the Municipal Infrastructure Division's cost shared funding programs **is the end of the day on Friday, October 16, 2026** (i.e., 11:59pm NDT). There will be no support available after end of business on Friday.

Those interested in applying are encouraged to do so at their earliest convenience, as MSIS (where applications are submitted) will experience high traffic demand on Friday, which can result in slow operation. It is the municipality's responsibility to ensure that the application is submitted prior to the deadline. Late submissions cannot be accepted.
