Re: Staff Changes at Tendering and Contracts

Date: December 3, 2021

The Municipal Infrastructure Division (MI) of the Department of Transportation and Infrastructure (TI) would like to notify the addressees of this Circular that there are staff changes in the Tendering and Contracts Division of TI.

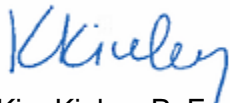

Stephen Slaney will be leaving Tendering and Contracts, **effective December 3, 2021**, to pursue other opportunities within GNL. Mr. Slaney, who has handled opening and closing of bidding opportunities for many of you, will be replaced by Ms. Jacqueline Vickers for the interim, and until further notice.

All correspondence, specifications, drawings, addendums that you would have normally sent to Stephen Slaney should now be sent to

Jackie Vickers
Tendering and Contracts

Should you have any questions about the transition, please feel free to discuss with the local MI Regional Engineer.

Sincerely,

Kim Kieley, P. Eng., FEC
Director – Municipal Infrastructure
