Re: Call for 2020-2021 Municipal Infrastructure Applications

Date: September 25, 2019

Please be advised that the current call for applications infrastructure funding (Municipal Capital Works Program and Investing in Canada Infrastructure Program) is set to close September 30, 2019, however **Applications will be accepted up to October 25, 2019.**

Application requirements are outlined in the **Application Guide 2019**, available at:
<https://www.mae.gov.nl.ca/capital works/proposed.html>

Incomplete applications will not be considered.

Applications are submitted online via the Municipal Support Information System (MSIS), at
<https://msis.gov.nl.ca/MSIS/>

Applications submitted during the 2019-2020 Call for Applications (closed December 2018) will be considered if the applicant informs MAE by emailing InfrastructureMAE@gov.nl.ca. This email must include the following:

1. Email subject line "Town of {insert town name} - Resubmission of Application —AP-MCW-{insert 5 digit number}"
2. An updated Resolution of Council for the specific project Application citing the application number, title and total project cost.
3. ICIP Stream Application (ICIP ONLY)
4. Aboriginal Consultation and Environmental Assessment form (ICIP ONLY)
5. An updated cost estimate. If no updated cost estimate is received, it will be assumed that the former estimate is still accurate and evaluation will be based on that.

***Note — one email containing all supplemental information per application**

These forms can be found at: <https://www.mae.gov.nl.ca/capital works/proposed.html>

If you have questions or require assistance please contact your Regional Engineer.

Kim Kiley, P. Eng., FEC
Director (A) – Infrastructure and Waste Management
