Re: Survey Equipment

Date: November 28, 2002

Survey equipment specified under the contract documents should not be single brand name only. Please ensure that your tender documents include the complete list of equipment available e.g. Leica, Nikon, Pentax, Sokkia, Topcon, Trimble, etc. or at the very least the "or approved equal clause". It is not sufficient to eliminate a supplier because you are not trained on their equipment, you can however specify that the supplier is to provide the required training.

A handwritten signature in cursive script that reads "Wayne Churchill".

WAYNE CHURCHILL, P. ENG.,
Assistant Deputy Minister
Engineering Services

cc: Regional Engineers
